PROOF OF QUALIFICATIONS
It is essential that you provide certified copies of your complete academic record with your application. This includes all Year 12 results and tertiary (university and TAFE) records, and previous STAT results, if applicable. (See Special Entry section below.)

Applicants who do not attach to their application form certified copies of all their eligible qualifications and results for all subjects attempted cannot be assessed or ranked, and so no offer will be made to them. Please note that currently enrolled Adelaide University students do not need to attach transcripts.

YEAR 12 APPLICANTS
If you have a recognised, completed Year 12-level qualification, enter the details in the Year 12-Level Studies part of Section 3 of the Application Form. The questions on Maths 2 and Language Other than English (LOTE) subjects relate to the University’s Bonus Points Scheme. If you successfully completed either or both of these subjects in 1999 or after, as a part of any recognised, Australian-based Year-12-level qualification, you may be eligible for bonus points to be added to entry score.

The University’s Fairway Scheme applies to this mid-year intake. If you completed your Year 12-level studies at a South Australian country school, or at an Adelaide Metropolitan
school with participation rates in higher education that fall below the threshold minimum, you are eligible for Fairway bonus points, which are automatically added to your entry score.

**TERTIARY TRANSFER APPLICANTS**

Most previous and/or current tertiary studies (all university studies, completed or not completed, and completed TAFE AQF Diplomas and above) will be assessed according to their Grade Point Average (GPA).

The minimum length of university study required for the calculation of a GPA is the equivalent of one half of a year’s full-time study. However, the minimum length of university study required to be eligible for the Tertiary Transfer sub-quota varies from program to program. For further details please refer to the 2001 Selection Criteria on the University’s Website at: [www.adelaide.edu.au/studentadmin/psiw/adminfo.html](http://www.adelaide.edu.au/studentadmin/psiw/adminfo.html)

**SPECIAL ENTRY APPLICANTS**

To be eligible for the Special Entry sub-quota:

- you need to be 21 years of age or more as at 1 July 2001
- you cannot hold a completed university Diploma or Degree
- you cannot have been enrolled in such a course within the last three years

If you meet these conditions, and satisfy any program pre-requisites (see Pre-requisites section below), then you are eligible to apply for entry through Special Entry, regardless of any previous tertiary or Year 12 record.

Special Entry applicants need to sit the Special Tertiary Admissions Test (STAT), a two-hour multiple-choice tertiary aptitude test devised and marked by the Australian Council for Educational Research (ACER). Questions in the Verbal section of the STAT assess your understanding, reasoning and critical thinking abilities, while those in the Quantitative section assess your comprehension, application and decision-making abilities. Applicants in the Special Entry sub-quota will be assessed according to the results of their STAT.

A STAT sitting will be held on **Friday 22 June 2001 at 10am**. If you wish to attend this sitting, tick the relevant ‘Yes’ box in Section 4 of the Application Form, and ensure that your completed application is lodged at the Student Centre by **5.00pm on Friday 8 June 2001**.

A fee of $71 applies. Following the close of applications you will be contacted by SATAC to arrange for payment of the STAT fee and collection of trial test booklets.

**Previous STAT Results**

If you have previously sat the STAT, you can use the results for this application. Enter the year of the sitting and the State in which it was held in the boxes provided in Section 4 of the Application Form, and attach your statement of results. If you use your previous STAT results, and do not wish to re-sit the STAT on 22 June, then the normal closing date of **15 June** will apply.

- If you have a previous STAT result, but wish to sit the STAT on June 22, then the closing date of **8 June** will apply. Only the better of the two STAT results will be used for selection.

The University determines the Australian equivalent of each overseas qualification in terms of the level of qualification and scores achieved, and considers applications on the basis of such Australian equivalents.

Applicants must provide copies of their academic qualifications and results in both the original language and a certified translation.

**OVERSEAS QUALIFICATIONS**
**SELECTION DETAILS AND PRE-REQUISITES**

You are advised to refer to the 2001 Selection Criteria for the programs in which you are interested. These are available on the University’s Website at: [www.adelaide.edu.au/studentadmin/psiw/admininfo.html](http://www.adelaide.edu.au/studentadmin/psiw/admininfo.html)

**OFFERS AND ENROLMENTS**

Offer letters will be posted to successful applicants on **11 July 2001**, to the address provided on the Application Form. Applicants will be able to contact the Student Centre after 2.00pm on that day regarding the outcome of their application.

If you receive an offer, enrolments will be held during the week of **16 to 20 July 2001**. Enrolment instructions will be included with your offer letter.

Semester 2 commences on **Monday 23 July 2001**.

**LODGING APPLICATIONS**

Application forms must be lodged at the Student Centre by 5pm on the closing date.
