SINGLES.

The singles chart seems to have just been shuffled around this week, with no new entries and only a few re-entries (5) in the top 100. The top 10 are all the same as last week, just in a different order! No.1 is still *Apologize* by Timbaland Feat. OneRepublic, making it 7 consecutive weeks at No.1 and 10 weeks straight in the top 10. Timbaland's other hit in the top 10, at No.6 this week, is *The Way I Are* Feat. Keri Hilson, which has spent an impressive 16 weeks straight within the top 10. Although *The Veronicas* spend a third week at No.2 with *Untouched*, the next big challenge for *Apologize* may be from the UK's 2006 X-Factor winner *Leona Lewis* who bullets four places to No.3 with her first Australian hit *Bleeding Love* in only its third week on the chart

There are no new entries this week...

ALBUMS.

For the second week in a row now, **Timbaland** has held the throne for both the album and singles chart. At No.1 again, is his album *Timbaland Presents: Shock Value*. Debuting at No.2, is **Radiohead's** new album, *In Rainbows*, making it their 8th album release, and fourth album to reach No.2. Since its release in October last year, *Delta* has spent the entire 11 weeks in the top 10, the highest point being No.1 and the lowest being No.6, though it has a long way to go to match her debut album, *Innocent Eyes* which was in the Top 10 for an uninterrupted 46 weeks from its debut! Two other albums muscle their way into this week's top 10 – Flying from No.17 to No.6 in its eighth week in the top 100 is *As I Am* by **Alicia Keys**. Her second Australian top 10 album following *Songs In A Minor* (No.3 Feb. 2002), this album entered the chart at No.15 then moved up to No.12 before dropping as far as No.30 last month. Also on the rebound and returning for its third week in the top 10 is *Ultimate Santana* by **Santana** which entered the chart at No.6 last October before sliding as far as No.19 in November.

No.2 IN RAINBOWS - Radiohead. Before this week's chart, **Radiohead** were in a tie with **Backstreet Boys** as the only bands to have had 3 albums hit No.2 without ever reaching No.1. However, **Radiohead** have trumped them this week with this, their fourth No.2 album. Their other albums to fall just one spot short of the top are *Hail To The Thief* (No.2 Jun. '03), *Amnesiac* (No.2 Jul. '01) and *Kid A* (No.2 Oct. '00). Interestingly, their lead singer **Thom Yorke** also hit No.2 with his solo record *The Eraser* back in July, 2006. In an innovative move that had the whole music industry watching with interest, **Radiohead** originally released this album as a digital download through their website at the beginning of last December, inviting their fans to "pay what they thought the album was worth". **Radiohead** wanted people to stop and think about how much music is worth. The album's strong debut this week indicates that the website experiment has not unduly affected their sales. Other albums of **Radiohead** to chart well include *OK Computer* (No.7 Jun. '97) and *The Bends* (No.23 Aug. '95).
