Week Commencing ~ 18th February 2008 ~ Issue #938

SINGLES. Rihanna makes ARIA history this week, as she becomes the first artist to top our chart based purely on digital sales alone. *Don't Stop The Music* is Rihanna's third No.1 single and her previous two being *Umbrella*, which spent six weeks at number between June and July last year and *S.O.S.*, which spent a staggering eight weeks at the top spot in 2006. Rocketing up the chart is *The Last Goodnight* with *Pictures Of You* leaping four places to No.3, meanwhile *Britney Spears* takes a dive to No.4 with *Piece Of Me*. The next few place getters also make a slump in the chart, but *Flo Rida* is not keen to get *Low* as his song states, because he jumps two places to No.8 this week. Lastly, *The Potbelleez* take another stab at the Top 10, re-entering this week with *Don't Hold Back* at No.10.

No.30 OUTTA MY HEAD (AY YA YA) – Ashlee Simpson. Making her sixth appearance in the ARIA Top 40 this week is pop singer / songwriter / actress – *Ashlee Simpson* younger sister of *Jessica Simpson*. *Pieces Of Me* was *Simpson's* debut single, which peaked at No.7 in September 2004. *L.O.V.E.* is *Simpson's* highest charting single to date, it reached No.5 in March 2006 and is taken from her album *I Am Me* (No.35 Oct. '05). *Simpson's* career has so far seen her win a bundle of awards including a Billboard Award for Best New Female Artist Of The Year and two MTV Australia Video Music Awards for Best Pop Video and Best Female Artist. Plus a role in series, 7th Heaven and her own reality TV show. *Simpson* is currently dating *Fall Out Boy's* guitarist, *Pete Wentz*.

No.99 FISHIES – The Cat Empire. This six piece band from Melbourne has released the second single lifted off their current album – *So Many Nights* (No.2 Oct. '07). *Fishies* follows *No Longer There*, which peaked at No.12 in September last year. *The Cat Empire* comprises of *Felix Riebl* (percussion and vocals), *Ryan Monro* (bass and backing vocals), *Ollie McGill* (keyboard and backing vocals), *Harry James Angus* (trumpet and vocals), *Jamshid "Jumps" Khadiwala* (decks, percussion) and *Will Hull-Brown* (drums). Their music is a perfect concoction of jazz, funk and rock with a dash of Latin influence to the blend. The band has won an ARIA Award for Best World Music in 2006 for the work on their album, *Cities – The Cat Empire Project* (No.11 Apr. '06). This also saw the band tour Asia, America and Europe that year.

ALBUMS. At No.1 for another week is *Jack Johnson's* latest offering – *Sleep Through The Static* which makes it the first album of *Johnson's* to maintain a No.1 spot for longer than a week! This week we welcome to the Top 10 *Amy Winehouse* for the first time since her album was released 51 weeks ago with *Back To Black* at No.9, which is no doubt attributed to the recent swag of Grammys she took home – she won five awards! Flying up the charts is the new release of *Michael Jackson's Thriller* at No.2 from No.44 this week. It originally hit No.1 in 1983 and then again in 1984 and has been in the top 10 a grand total of 56 weeks! This is the first time it's been in the Top 10 since July, 1984, proving that he is indeed still the Prince of Pop. At No.3, *k.d. Lang* is the only new entrant to the Top 10 with *Watershed*. Except for one of our new entries this week, all of the listed artists or bands below are scheduled to tour Australia within the next couple of months!

No.3 WATERSHED – K.D. Lang. This is *Lang's* 13th album. From start to finish, the album was six years in the making, as *Lang* wanted to take her time to make it and explore each song's potential. All of the songs are new originals which she wrote. For this album she also played several instruments and self-produced it. *Lang* took a very natural approach to the vocals, using a lower range than normal, and quite often the first take of a track was the one that was used on the album. *Teddy Borowiecki* an old band mate of *Lang's*, arranged the strings to fit around this sound. This is *Lang's* fourth album to reach No.3, the others include *Ingenue* (No.3 Apr. '94), *All You Can Eat* (No.3 Nov. '95) and *Hymns of The 49th Parallel* (No.3 Sep. '04). Other well charting albums include *Even Cowgirls Get the Blues* (No.10 Apr. '94), *Drag* (No.4 July '97) and *Invincible Summer* (No.12 June '00). *Lang* is scheduled to tour here in April – many shows have already sold out!

No.12 DREAMING OUT LOUD – OneRepublic. Shooting to fame after *Timbaland* re-mixed their track *Apologize* (No.1 Nov. '07), the boys from *OneRepublic* are now proving they can stand on their own feet. This is the first album of theirs to be released in Australia. It was produced by *Greg Wells* (*Mika*, *P!nk*, *Rufus Wainwright*) along side frontman, *Ryan Tedder*. *OneRepublic* is made up of *Ryan Tedder* - vocals/guitar/piano, *Zach Filkins* - guitar/vocals, *Eddie Fisher* - drums/percussion, *Brent Kutzle* - bass guitar/cello/vocals/keyboards and *Drew Brown* - guitar. *OneRepublic* is touring here in March with *Maroon 5*.

No.13 CORNER OF AN ENDLESS ROAD – Lior. *Lior Attar* was born in Israel and moved to Australia when he was ten. As a child he learned classical guitar and as a teenager he was in a rock band. When he reached 25 he started gigging as a solo artist and released his first album *Autumn Flow* (No.45 Feb. '05), which led to him being nominated for several ARIA awards – Best Male Artist and Best Break-through Artist among others. Of his new album, *Lior* has said "think *Led Zeppelin* jamming with *Nick Drake* at a teahouse somewhere in the Middle East."

No.14 OTHER VOICES, OTHER ROOMS – The Getaway Plan. *The Getaway Plan* are made up of *Matthew Wright* - Vocals, *Clint Splattering* - Guitar, *Dave Anderson* - Bass and *Aaron Barnett* - Drums. The band is originally from Melbourne. This is their debut album which was recorded in Florida. Their EP, *Hold Conversation* received some airplay on Triple J, which led to a greater following of fans. *The Getaway Plan* are set to tour with this album all over Australia.

No.31 BRING ME YOUR LOVE – City And Colour. *Dallas Green* is principally in a band called *Alexisonfire* [*Crisis* (No.37 Sep. '06)] and in his spare time away from the band, *Green* has released albums under the name *City And Colour*. This is the first album of his to chart here, his other albums releases are *Sometimes* and *City And Colour Live*. *City And Colour* is scheduled to tour Australia at the end of this month.

No.90 HANNAH MONTANA 2: NON-STOP DANCE PARTY – Hannah Montana. *Hannah Montana* is a children's TV series which is about a normal average girl called *Miley Stewart* who also lives a secret life of a pop star – *Hannah Montana*. This album has all of the original tracks from *Hannah Montana 2 / Meet Miley Cyrus* (No.20 Jan. '08) re-mixed to a beat that is perfect for dancing to! The series has also released the album *Hannah Montana* (No.35 Jul. '07).

#1 Single this week
