SINGLES. Gabriella Cilmi reclaims poll position this week with *Sweet About Me*, leaving *4 Minutes* by Madonna sitting at No.2. Usher takes a leap into the Top 10 to position himself at No.8 from No.21 with *Love In This Club*, marking the peak for this track. Rihanna jumps a massive seventeen places to No.13 with this week's American chart topper *Take A Bow*. Meanwhile, Jordin Sparks and Chris Brown are on the pursuit for chart glory. Their track, *No Air* sails up forty-one spots to No.16. Further along the chart we see a few more bullets this week, biggest jumpers go out to Coldplay up thirty-nine spots to No.47 with *Violet Hill*. Nelly and Fergie are letting everyone know who the *Party People* are, they are up twenty places to No.34 and lastly *Break The Ice* by Britney Spears is up fifteen places to No.23.

No.53 WE MADE IT – Busta Rhymes Feat. Linkin Park. Rapper and sometimes actor, Busta Rhymes has teamed up with hard rockers, Linkin Park for *We Made It*. The single was co-produced by Mike Shinoda of Linkin Park and is Rhymes' eighth Top 100 Single. Previous hits include *I Know What You Want* (No.3 June '03), which featured Mariah Carey, *Break Ya Neck* (No.13 Mar. '02) and *Touch It* (No.14 June '06). The single is taken from Busta's forthcoming album *I'm Blessed*. Did you know Busta Rhymes was given his stage name by Chuck D of Public Enemy after he saw him performing? Chuck D took the name from grid iron player George "Buster" Rhymes.

No.91 HAMMERHEAD – The Offspring. Hailing from California, The Offspring formed in 1984. The current line up consists of Dexter Holland (lead vocals, guitar), Noodles (lead and rhythm guitars, backing vocals), Greg K. (bass, backing vocals) and Pete Parada (drums). The band is best known for their worldwide hits *Come Out And Play* (No.8 Nov. '94), *Self Esteem* (No.6 Feb. '95) and *Pretty Fly (For A White Guy)*, which spent six weeks at No.1 and has been accredited quadruple platinum. Their new single, *Hammerhead* is the band's first single in four years and is also the first single to be lifted from their latest album *Rise and Fall, Rage and Grace*. According to lead singer – Holland, *Hammerhead* is about the recent school shootings that have happened in America.

No.92 STAY BEAUTIFUL – The Last Goodnight. This is the follow-up track to the widely successful *Pictures Of You*, which peaked at No.3 early this year and has been accredited with platinum sales. *The Last Goodnight* were recently in Australia to promote their new album *Poison Kiss* which debuted at No.96 on the ARIA Albums Chart last week. They performed at the Logie Awards and their performance was received quite well.

No.93 THE ONLY ONE (MIX 13) – The Cure. English rockers, The Cure originally formed in 1976. Over the year they have seen a few line up changes, but it currently consists of Robert Smith, Porl Thompson, Simon Gallup and Jason Cooper. After a seven year hiatus from our charts The Cure are set to light the charts up once more with the release of their new single and thirteenth studio album, which will comprise of new material. The Cure rose to fame with Top 40 hits that include *The Love Cats*, *Close To Me* and *Why Can't I Be You*.

ALBUMS. Our album charts kicks off with 6 ½ Aussie albums; *Waltzing Matilda* is half Australian half Dutch, with the partnership of Brisbane girl Mirusia and Andre Rieu, No.2 has Damien Leith sitting still for another week with *Catch The Wind; Songs of a Generation*, new at No.3 is Melbourne girl Gabrielle Cilmi with *Lessons To Be Learned*, No.6 is *Apocalypse* by The Presets, No.7 is ex-idol Carl Riseley with *The Rise*, No.8 has husband and wife team Kasey Chambers and Shane Nicholson with *Rattlin' Bones* and No.9 is *So Much Beauty* by Kate Ceberano.

No.3 LESSONS TO BE LEARNED – Gabrielle Cilmi. The soulful Cilmi (pronounced chill-me) is only 16! Originally from Melbourne, she was 'discovered' while singing at a street festival at the tender age of 13, and was quickly signed up with a record label. Cilmi is currently based in London and shares management with UK girl group Sugababes. She has been compared to the likes of Mercy and Amy Winehouse – big shoes to fill! *Lessons To Be Learned* is currently at No.8 on the UK Albums Chart.

No.16 IN SILICO – Pendulum. Another Aussie to debut this week! Originally from Perth, Pendulum is made up of Rob Swire (vocals), Ben Mount (MC), Gareth McGrillen (bass), Perry ap Gwynedd (guitar), Paul 'El Horne' Harding (DJ) and Paul Kodish (drums). This is their third album, and also a new chart peak for them. Their first album *3 Knocks* failed to chart, their second album however *Hold Your Colour* reached No.77 in January 2006. This has hit No.2 in the UK Albums Chart this week.

No.19 I KNOW YOU'RE MARRIED BUT I'VE GOT FEELINGS TOO – Martha Wainwright. Brother of Rufus Wainwright and daughter of Loudon Wainwright it was inevitable that Martha would follow in their musical footsteps. This album features all original tracks written by Wainwright, except for *See Emily Play* a cover of the Pink Floyd track and her version of the Eurythmics' *Love Is A Stranger*. This is the first album of Wainwright's to chart. Her first album was the self-titled *Martha Wainwright*. This album features her brother Rufus lending his talents to one of the songs.

No.61 TOO B OR NOT TO B - Kisschasy. This album is a compilation album of previous Kisschasy songs. They are taken from the bands EPs – *Cara Sposa* and *Darkside / Stay Awake* as well as some un-released tracks. It also includes a DVD of all of their music videos. Kisschasy is made up of four boys from Victoria; Darren Cordeux, Joel Vanderuit, Sean Thomas and Karl Ammitzbohl. Their last two albums were *United Paper People* (No.15 Aug. '05) and *Hymns For The Nonbeliever* (No.5 Jul. '07).

No.81 SOMEWHERE BACK IN TIME – Iron Maiden. Iron Maiden's current line-up is Bruce Dickinson (lead vocals), Dave Murray (guitar), Adrian Smith (guitar), Janick Gers (guitar), Steve Harris (bass guitar, keyboards, backing vocals) and Nicko McBrain (drums, percussion). This album is a best of compilation album, featuring songs that the public might not know, from their first self titled album *Iron Maiden* up to *Seventh Son Of A Seventh Son* (No.66 Jul. '88). Iron Maiden have an extensive chart history which includes; *No Prayer For The Dying* (No.23 Nov. '90), *Fear Of The Dark* (No.11 May '93), *A Real Live One* (No.48 May '93), *X Factor* (No.64 Oct. '95), *Best Of The Beast* (No.58 Sep. '96), *Brave New World* (No.33 June '00), *Dance Of Death* (No.12 Sep. '03) and *A Matter Of Life and Death* (No.12 Sep. '06).

No.96 FLIGHT OF THE CONCORDS – Flight Of The Conchords. Flight Of The Conchords is made up of the duo Bret McKenzie and Jemaine Clement who are both from New Zealand. The pair has had success on the international comedy circuit which has led to them doing a radio series for BBC in the UK and creating a TV series for HBO about their struggles while living in New York. They sing humorous and witty songs while playing guitars in a folk style and these songs are then woven into each episode of the show.
