SINGLES. The Material Girl has done it, *4 Minutes* slides into No.1 this week giving Madonna her tenth No.1 single in Australia! This in turn leaves Flo Rida sitting at No.3 with *Low*. Jumping back up into the Top 10 this week is Faker's *This Heart Attack* at No.10. Further along the chart we have two re-entries, *Ayo Technology* gives 50 Cent another glimpse at the Top 100 sitting at No.94 and Rihanna's *Shut Up And Drive* steers its way back in at No.97. Lastly there are landmarks close for Sneaky Sound System's *UFO* and Linkin Park's *What I've Done* - hitting 51 weeks and 50 weeks respectively. Will they hit their target in the next couple of weeks? Stay tuned...

No.4 FROM LITTLE THINGS BIG THINGS GROW (GET UP STAND UP VERSION) - The Getup Mob. 13th February 2008 marked a milestone in Australian history. An apology to the Stolen Generations was given by Prime Minister, Kevin Rudd and to highlight this historic moment The Getup Mob have released a tribute single. The Getup Mob consists of Kev Carmody, Paul Kelly, Urthboy, Missy Higgins, Mia Dyson, Radical Son, Jane Tyrrell, Dan Sultan, Joel Wenitong and Ozi Batla. They have come together to sing a rendition of Paul Kelly's and Kev Carmody's written track of the same title.

No.30 WHAT YOU'RE ON - Rogue Traders. One of the biggest dance acts to come out of Australia, Rogue Traders release their third single to be lifted from the album *Better In The Dark* (No.4 Oct. '07). *What You're On* follows *Don't You Wanna Feel* (No.10 Oct. '07) and *I Never Liked You* (No.9 Jan. '08). The new single also marks the bands tenth ARIA Top 100 single! Rogue Traders are set to embark on a national tour starting this week. So for all the fans out there make sure you don't miss out as this will be the last tour for a couple of years as singer, Natalie Basingthwaight concentrates on a solo career.

No.37 SOMETHING GOOD '08 - Utah Saints. Hailing from England, Jez Willis and Tim Garbutt are Utah Saints. Taking their name from the Mormon religion, Utah Saints use samples heavily in their music and with the re-release of *Something Good '08* which features mixes from Ian Carey and Australia's own Van She, shows a perfect example of this. *Something Good*, which was originally a No.10 hit back in 1992, samples Kate Bush's *Cloudbusting*. The single has also shattered dance floors all over our nation, recently peaking at No.3 on the ARIA Club Chart. Utah Saints are set to tour Australia in June.

No.43 YOU'RE LOVE IS A LIE - Simple Plan. French-Canadian pop-punk band Simple Plan hit us with yet another Top 50 Chart buster! *You're Love Is A Lie* can be found on the band's current self titled album, which also features *When I'm Gone* (No.14 Feb. '08). Previous hits from the group include *Perfect* (No.6 July '04), *Addicted* (No.10 Sep. '04) and *Untitled (How Can This Happen To Me)* (No.9 July '05). Not just content with being a band, Simple Plan set up the *Simple Plan Foundation* to help raise money for teens that are in need of care from all types of social issues.

No.75 SCHNUGGLE SONG - Schnuffel Bunny. With the digital world of gadgets and gizmos on the rise, so is the digital superstar. Leading the way was the Crazy Frog with the release of *Axle F*, which made it all the way to No.1 in July 2005. Then there was the Gummi Bear and more recently Psycho Teddy. They are a force to be reckoned with and a phenomenon that the public just can't get enough of!

No.99 STILL WILL - 50 Cent. Recently in Australia for the MTV Awards and some concerts, Curtis James Jackson III aka 50 Cent is known for his thug life past, but loved for his tight rhymes and laid back rap style. The new *Still Will* is credited as *I'll Still Kill* on 50 Cent's album *Curtis* (No.1 Sep. '07) but is released as *Still Will* to reduce profanity in the media. Akon is featured on the track. Previous singles to chart well from 50 Cent include *Candy Shop* (No.3 Apr. '05), *21 Questions* (No.4 July '03) and his biggest single to date - *In Da Club* (No.1 Apr. '03).

ALBUMS. This week we have another 'home-grown' talent at No.1 with Kasey Chambers and Shane Nicholson with *Rattlin' Bones*. While Chambers is certainly no stranger to this high peak, it is hubby Shane Nicholson's first time in the Top 100 Albums Chart! Mariah Carey's latest effort - *E=MC²* at No.2 and The Presets *Apocalypse* down to No.3. Powderfinger have made a massive jump from No.99 right up to No.40 with their latest album *Dream Days At The Hotel Existence* - leaving no question why they currently have nearly a completely sold out tour coming up in June this year! Two big re-entries this week - Tina Turner's *Songs of Love & Loss* jumps back in at No.85, and *Caught In The Act* by Michael Buble is back in at No.52.

No.1 RATTLIN' BONES - Kasey Chambers & Shane Nicholson. *Rattlin' Bones* has also debuted at No.1 on the ARIA Country Chart this week. This is the first album for husband and wife, Kasey Chambers and Shane Nicholson to collaborate on and release a whole album. This album was made after a fairly quiet yet happy year for the duo, with the birth of their son Arlo. Chambers has won a total of seven ARIA Awards over the years, and this is her fourth No.1 album. The first being *Barricades and Brickwalls* (No.1 Feb. '02) which reached platinum sales seven times over, *Wayward Angel* (No.1 Jun. '04) triple platinum and *Carnival* (No.1 Aug. '06).

No.2 E=MC² - Mariah Carey. This is Carey's highest chart position since the 1997 release of *Butterfly* which hit No.1 in September of that same year. For those of you who are wondering about the slightly obscure title, it means E (for Emancipation) = M (for Mariah) C (for Carey) 2 (multiplied by itself). It is a play on Einstein's theory, as well as being a sequel to her last album *The Emancipation of Mimi* (No.6 July '05). This is Carey's eleventh Top 10 hit - previous titles include *Mariah Carey* (No.6 Feb. '91), *Emotions* (No.8 Oct. '91), *Unplugged* (No.7 Aug. '92), *Music Box* (No.1 Feb. '94), *Merry Christmas* (No.2 Dec. '94), *Daydream* (No.1 Oct. '95), *#1's* (No.6 Nov. '98) and *Rainbow* (No.4 Nov. '99).

No.5 SET IN STONE - Brian McFadden. With his recent engagement to Australian pop princess Delta Goodrem, it comes as no surprise that McFadden's newest album has debuted at No.5 this week! This is his second album, the first to hit the Top 50. His last album *Irish Son* hit No.54 in March, 2005. McFadden started his performance career on various stages around Dublin before joining the band Westlife. He left Westlife to embark on a solo career in 2004.

No.20 WHEN THE FLOOD COMES - The Audreys. The Audreys is made up of Taasha Coates (voice, piano), Tristan Goodall (guitar, banjo), Michael Green (violin, lapsteel), Lyndon Gray (bass) and Toby Lang (drums). This is their second album, the first being *Between Last Night And Us* which edged into the charts at No.97 in August, 2006. Originally from Adelaide, South Australia the band have recently been playing overseas and throughout festivals in Australia.

No.23 COME INTO MY WORLD - Nick Skitz. The man behind the largely popular *Skitzmix CDs* has unveiled his first ever artist album. After releasing a monstrous, twenty-eight Skitzmix compilations, with no slowing down just yet. Nick Skitz is an icon in the Australian club scene, having brought his Skitz style music to the masses since the early 90s. *Come Into My World* is bulked up with plenty of well known tracks and given the Skitz touch. Featured on the album is *I Want Your Love*, the collaboration with Melissa Tkautz, which peaked at No.60 on the ARIA Singles Chart earlier this month.

No.25 THE BLACK SWAN - Story Of The Year. This album is a new chart peak for the boys, who originally hail from St Louis. Their first album, *In The Wake Of Determination* reached No.38 in October 2005. The band consists of Dan Marsala (vocals), Ryan Phillips (guitar), Philip Sneed (guitar, vocals), Adam Russell (bass) and Josh Wills (drums). For this album, they have focused on a few themes including the futility of wars and fighting, and the need to live life to the fullest.

No.30 THE AGE OF THE UNDERSTATEMENT - The Last Shadow Puppets. This is an exciting collaboration between two musicians already in established bands - Alex Turner of the Arctic Monkeys and Miles Kane of The Rascals. The two met when the Arctic Monkeys toured with a band called The Little Flames, Kane's previous band, and the two became friends. Kane was invited to play some guitar on the Arctic Monkey's last album, and they have both started writing songs together and apart. A characteristic of this album is that they both sing in different styles to what they do in their respective bands and they also switch from singing the lead, while the other does harmony and vice versa.

No.34 HANNAH MONTANA & MILEY CYRUS: BEST OF BOTH WORLDS CONCERT - Miley Cyrus. Hannah Montana is a children's TV series which is about a average girl called Miley Stewart who also lives a secret life of a pop star - Hannah Montana. This is the album from the concert tour Cyrus/Montana did in February of this year in the USA. The live tracks are taken from her performance in Salt Lake City, Utah. It has her appearing as both Montana and as Cyrus and also has the Jonas Brothers joining Montana on stage to sing.

No.39 WHO I AM - Amy Pearson. This is Pearson's debut into the ARIA Albums Charts. Born in the UK, Pearson attracted the attention of Gary Barlow of Take That, whose connections led to her moving to Sydney at the tender age of 17 to continue her career over here. You may have seen Pearson singing her song *Ready To Fly*, which is No.41 this week on the ARIA Singles Chart, on commercials for the 2008 Olympics.

No.41 BITTERSWEET WORLD - Ashlee Simpson. Little sis to the famous Jessica Simpson, Ashlee is slowly making a name for herself in her own right. This is her third album to hit the Top 50, her first album *Autobiography* hit No.40 in August 2004 and her second album, *I Am Me* peaked at No.35 in October 2005. For her latest album, Simpson has said that "I wanted to sing fun songs. Basically, I wanted to make a party record." She had the considerable talents of Timbaland, Chad Hugo and Kenna To produce this album.

No.59 FOR YOUR GLORY - C3. C3 is the worship band that's part of Christian City Churches. The album was recorded in LA, mixed by Tim Palmer and mastered by UE Nastasi and Charlie Watts. This album also has a DVD release featuring six tracks from the CD recorded live at the Oxford Falls Church in Sydney, plus a behind-the-scenes feature. The album contains songs written by Church leaders Joe Pringle, Nikki Fletcher and Ryan Smith.

No.77 THE MOTOR CITY COLLECTION - Human Nature. It's been almost twenty years since Michael Tierney, Andrew Tierney, Toby Allen and Phil Burton first joined forces to create the The 4 Trax. But after receiving a record contract they decided to change their name to Human Nature. *The Motor City Collection* is a box set of the group's most successful albums, *Reach Out - The Motown Album* (No.1 Dec. '05), *Dancing In The Streets: Songs Of Motown II* (No.1 Oct. '06) and *Get Ready* (No.2 Nov. '07). The box set also contains their former No.1, platinum selling DVD, *Reach Out: Live At The Capitol*.

No.94 EVERYWHERE AT ONCE - Lyrics Born. Making his debut to the ARIA Albums Chart this week is Lyrics Born. Born Tom Shimura in Tokyo, this rapper draws his influence from Ice Cube and Sugar Hill Gang. Although this is his first album to chart within the Top 100, Born has also released the albums *Same I@#\$ Different Day* and *Overnite Encore*, both failing to make an impact on the ARIA Albums Chart. Born was in Australia earlier this year touring with the *Good Vibrations Festival* as their official MC.

#1 Single this week
