**SINGLES.** Madonna spends her third week atop of the ARIA Singles Chart this week with *4 Minutes*, meanwhile that *Psycho Teddy* is still on the loose, heading up seven places to land inside the Top 10 at No.5. The ladies are doing some damage amongst the chart this week - Sara Bareilles glides seventeen spots from No.39 to No.22 with *Love Song* and further down we see *Ready To Fly* soar ten spots up, to leave Amy Pearson nestled at No.40. Lastly, Rihanna's *Umbrella* has stacked up its fiftieth week within the Top 100, can she hold on for two more weeks? Watch this space next week...

**No.7 AMERICAN BOY - Estelle Feat. Kanye West.** Born Fanta Estelle Swaray on 18 January 1980, she is popularly known as Estelle. She is the second of eight children and was brought up in West London. Estelle cites Ella Fitzgerald, Mary J. Blige and Dinah Washington as influences. The singer, songwriter, rapper, and producer broke onto the ARIA Charts with the single, *1980* back in 2004. The single went on to peak at No.36 and was followed up with *Free*. The single peaked at No.49 in January 2005. Estelle is getting ready to embark on a tour with Wyclef Jean who has said of Estelle "he had never worked with a young artist that reminded him so much of Lauryn Hill, mostly because of Estelle's improvisational style"

**No.30 TAKE A BOW - Rihanna.** Barbados beauty, Rihanna has enjoyed a whirlwind career since her debut single - *Pon De Replay* (No.6 Nov.) in 2005. *Take A Bow* marks Rihanna's tenth Top 10 single and follows the likes of her previous single releases, *If It's Lovin' That You Want* (No.9 Jan. '06), *Unfaithful* (No.2 July '06) and *Shut Up And Drive* (No.4 Sep. '07). The new single will also be featured on the re-issue of Rihanna's latest album and will be re-titled - *Good Girl Gone Bad: Reloaded*. Recently Rihanna became first Barbados born female to win a Grammy Award and only the second in history, the first going to Jimmy Senya Haynes back in 1986.

**No.39 WHEN WE WERE KIDS - The Galvatrons.** This four piece disco rock band from Melbourne consists of Johnny - vocals / guitar, Manny -drums, Condor - bass and Gamma - keys. They took their name from the 80's cartoon Transformers. The band name Gary Numan, Stan Bush, Cheap Trick, Van Halen, Australian Crawl and many others as influences. They have already graced the Big Day Out stage and are set to support *The Police* in the UK, while *The Galvatrons* they are touring their later this year. *When We Were Kids* is the first single from the band to chart on the ARIA Singles Chart.

**No.57 NO AIR - Jordin Sparks Duet With Chris Brown.** Last years youngest American Idol winner, Jordin Sparks releases the follow up single to *Tattoo*, which peaked at No.5 in March earlier this year. Both of the singles can be found on her debut album titled - *Jordin Sparks* (No.61 Apr. '08). Sparks was recently forced to cancel shows whilst on tour with Alicia Keys as her supporting act, due to an acute vocal cord hemorrhage. Sparks has made a full recovery now though and is back on the road with Keys.

**No.81 HOMECOMING - Kanye West.** Multi Grammy Award Winner, Kanye West releases the fourth single to lift from his current gold accredited album, *Graduation* (No.2 Sep. '07). The previous singles taken off are *Stronger* (No.2 Sep. '07), *Good Life* (No.21 Jan. '08) and *Flashing Lights* (No.82 Apr. '08). *Homecoming* features Coldplay's front man - Chris Martin and contains lyrics from Common's track *I Used To Love H.E.R.* West is currently touring around America for his *Glow In The Dark* tour. The rapper is supported by three opening acts - N.E.R.D., Lupe Fiasco and Rihanna.

**No.86 VIOLET HILL - Coldplay.** Coldplay are one of the most influential rock bands around today. They formed in 1998 and comprise of Chris Martin (vocalist/pianist/guitarist), Jonny Buckland (lead guitarist), Guy Berryman (bassist) and Will Champion (drummer/multi-instrumentalist). They rose to superstar status after the release of hit singles such as *Yellow* (No.5 Feb. '01), *Speed Of Sound* (No.9 May '05) and *Clocks* (No.28 Mar. '03). *Violet Hill* is the first single to be taken from Coldplay's forthcoming new album *Viva la Vida or Death and All His Friends*.

**No.92 SOMETHING RIGHT - Westlife.** This Irish pop group recently serenaded all the lucky ladies of the front row at the Logie Awards this year. Since their inception, Westlife have grown from a boy group sound to a more adult contemporary feel. The quartet's line up consists of Nicky Byrne, Kian Egan, Mark Feehily and Shane Filan. Westlife have had fourteen No.1 singles in the UK, placing them third behind only Elvis Presley and The Beatles and tying with Cliff Richard. The boys have come close to topping our charts with their singles *You Raise Me Up* (No.3 May '06), *Uptown Girl* (No.6 July '01) and *Swear It Again* (No.12 Aug '99).

**ALBUMS.** It seems Andre Rieu was not content with ruling our DVD chart, he had to conquer our albums chart too! This week Rieu has hit No.1 on the albums chart with his latest offering featuring Australian soprano Mirusia in *Waltzing Matilda*. This is Rieu's first ARIA No.1 on the albums chart. With Mothers Day falling last Sunday, it seems our albums chart has been influenced by albums that Mum's might like - Damien Leith's *Catch The Wind: Songs Of A Generation* has stayed stable at No.2, Carl Risely's *The Rise* has slipped down to No.6. Mother's Day seems to have also caused quite a few chart seeking bullets; *Call Me Irresponsible* by Michael Buble has jumped up from No.33 to No.10, Geoff Sewell's *Believe* has moved in leaps and bounds from No.83 to what may be a lucky No.13, Human Nature's *The Motor City Collection* has jumped from No.35 to No.18, *Songs Of Love and Loss* by Tina Arena has gone from No.70 to No.28 and David Campbell's *The Swing Sessions 2* has left No.91 for No.38. But wait - there's more! We have three new re-entries - at No.14 Westlife's *Back Home*, No.70 with *Vivere: The Best Of Andrea Bocelli* and No.71 Guy Sebastian's *The Memphis Album*.

**No.9 HOME BEFORE DARK - Neil Diamond.** The long awaited new album from Neil Diamond has arrived! This album marks the second time that Diamond has teamed up with producer Rick Rubin, who produced his last album *12 Songs* which reached No.40 in December 2005. On this album he has kept some of the same musicians that played on *12 Songs* and added guitarist Matt Sweeney. Also featured is Natalie Maines of the Dixie Chicks who joins Diamond to sing a duet! Though now aged 67, Diamond's recent chart history is inspiring for young and old musicians today: *Hot August Night* (No.19 Feb. '92) which has been accredited with platinum sales ten times, *Lovescape* (No.15 Mar. '92), *The Essential* (No.17 Apr. '92), *Greatest Hits 1966-1992* (No.1 May '92), *Tennessee Moon* (No.2 Apr. '96), *Three Chord Opera* (No.3 Aug. '01) and *The Essential Neil Diamond* (No.9 May '02).

**No.54 THE SHOW GOES ON: THE VERY BEST OF NEIL SEDAKA - Neil Sedaka.** The last album of Sedaka's to chart was *Anthology - Four Decades Of Hits* which snuck in at No.96 in December 1998. His recent spike in popularity could be due to his recent tour here where he performed at the Sydney Opera House among other venues around Australia. Previous hits of Sedaka include *Bad Blood*, *Breaking Up Is Hard To Do* and *Calendar Girl*.

**No.64 SANTOGOLD - Santogold.** Born Santi White, Santogold is fast making a name for herself - she has already played Madison Square Garden supporting Bjork, has worked with Lily Allen, Ashlee Simpson, Mark Ronson and calls M.I.A. a friend. While at university she studied West African, Haitian and Cuban hand drumming techniques and rhythms and then went on to work for Epic Records, but left there when R&B singer Res was looking for someone to produce her album. This led to her singing in the group *Stiffed* which she has recently left to pursue solo efforts. This is her debut to the ARIA Albums Chart.

**No.82 SONGS FROM THE SPARKLE LOUNGE - Def Leppard.** The current line-up of Def Leppard includes Joe Elliott (lead vocals), Phil Collen (guitar), Vivian Campbell (guitar), Rick Savage (bass, keyboards) and Rick Allen (drums). *Songs From The Sparkle Lounge* is the bands tenth studio album and fans will be pleased to hear it features entirely new material. Featured on the album is country singer Tim McGraw on the first single released, *Nine Lives*. Def Leppard has had two No.1 albums; the first was *Hysteria* which hit No.1 in July 1989, and which also went platinum four times and *Adrenalize* which reached No.1 in April 1992. Other albums of theirs to chart include *Retroactive* (No.33 Nov. '93), *Vault - Greatest Hits* (No.9 Nov. '95), *Slang* (No.11 Jun. '96) and *X* (No.49 Aug. '02).

**No.96 POISON KISS - The Last Goodnight.** The Last Goodnight were originally all friends at high school in Connecticut, USA, that formed a band called Renata. After attracting interest from Jeff Blue (credited with finding the likes of Macy Gray and Linkin Park) they went on to change their name and record *Poison Kiss*. The first single off the album, platinum selling *Pictures of You* hit No.3 in February earlier this year.

#1 Single this week
