**SINGLES.** *Sweet About Me* does it again, keeping pole position for the third week in a row – well done **Gabriella Cilmi!** **Coldplay** are heading north with *Violet Hill*, moving up eleven places to No.20, meanwhile **Wyclef Jean's** *Sweetest Girl (Dollar Bill)*, picks up the pace jumping from No.36 to No.28 this week. A little further down the chart, the man that is making waves overseas – **Sam Sparro** skyrockets ten places to No.33 with *Black & Gold*. Ten is also a good number for **Duffy**, who also moves ten spots to No.35 with *Mercy*. Lastly after achieving massive success with their new album, **The Presets** re-enter the singles chart with *Are You The One?* at No.78.

**No.68 LABELS OR LOVE – Fergie.** The self proclaimed "Dutchess" (No.1 July '07), Fergie hits the ARIA Top 100 with a track that was recorded for the *Sex And The City* Soundtrack, but was leaked on the internet a few weeks prior to the release of the soundtrack. *Labels Or Love* is said to be by director and writer, **Michael Patrick King** "an entirely new song with lyrics, but it has the Sex and the City theme as the DNA – on steroids." Previous hits for Fergie include *Fergalicious* (No.4 Jan. '07), *Clumsy* (No.3 Nov. '07) and *Glamorous* (No.2 May '07).

**No.70 GREAT DJ – The Ting Tings.** The English duo - **Jules De Martino** (drums, guitar, vocals) and **Katie White** (vocals, guitar, bass drum) are **The Ting Tings** and they make their debut to the ARIA Singles Chart this week. The pair teamed up in 2006, after failed attempts in other groups. In the so far short career of **The Ting Tings**, they already have had both a No.1 single and album in the UK this year. *That's Not My Name*, hit No.1 on the UK Singles Chart on May 18, *We Started Nothing* has debuted on the ARIA Albums Chart at No.22 this week and *Great DJ* is featured on this album.

**No.75 IT'S NOT MY TIME – 3 Doors Down.** Hailing from Escatawpa, Mississippi – **3 Doors Down** formed in 1994 and currently comprises of **Brad Arnold**, **Matt Roberts**, **Todd Harrell**, **Chris Henderson** and **Greg Upchurch**. The band was immediately catapulted into the limelight straight off the back of their debut single, *Kryptonite*. The track peaked at No.8 in February 2001 and is platinum accredited. *It's Not My Time* is the first single from **3 Doors Down** in two years. Their last single was *Let Me Go*, which peaked at No.55 in March 2005. The new single can be found on the band's new self titled album.

**No.79 GOING ON – Gnarls Barkley.** **Gnarls Barkley** is a collaboration between producer and multi-instrumentalist - **Dangermouse** (**Brian Burton**) and **Cee-Lo** (**Thomas Callaway**), who is a prominent rapper from Atlanta. They made their debut back in 2006 with the single *Crazy*. The song went on to peak at No.2 in June that year and was the first ever track in the UK to top their singles chart, based on digital sales alone. *Going On* is the first single to be taken from **Gnarls Barkley's** current album, *The Odd Couple* (No.20 Apr. '08).

**No.90 ALWAYS COMPLAINING – Skybombers.** Homegrown rockers, **Skybombers** hail from Melbourne and consist of **Hugh** (vocals / guitar), **Sam** (guitar / vocals), **Ravi** (bass /vocals) and **Scottie** (drums). The boys got together during high school, after one member was ejected from the school orchestra after some risqué moves with his double bass ala "The Living End" style. A move that definitely paid off in the end, **Skybombers** was born! The band cites **The Beatles**, **The Kinks** and **You Am I**, amongst others as influences. *Always Complaining* is the band's debut to the ARIA Singles Chart.

**No.95 PORK AND BEANS – Weezer.** **Weezer** currently is **Rivers Cuomo** (lead vocals, guitar), **Patrick Wilson** (drums, backing vocals), **Scott Shriner** (bass, backing vocals), and **Brian Bell** (guitar, backing vocals). **Weezer** are best known for their singles – *Undone / The Sweater Song* (No.63 Oct. '94), *Buddy Holly* (No.68 Mar. '95) and *Island In The Sun*. Front man, **Cuomo**, wrote *Pork And Beans* in reaction to a meeting with his record label, **Geffen** who asked the band to record more commercial music.

**ALBUMS.** Again we have a strong contingent of Aussies in the top of our albums chart! We have Aussie artists on seven of the Top 10 albums with *Lessons To Be Learned* by **Gabriella Cilmi** staying still at No.2, **Pete Murray** sliding down to No.3 with *Summer At Eureka*, a debut at No.4 - **Vanessa Amorosi's** *Somewhere In The Real World*, No.5 is *Apocalypse* by **The Presets**, Brisbane girl **Mirusia** is on **Andre Rieu's** *Waltzing Matilda* at No.6. Another debut is at No.7 with *Summerland* by **The Herd** and bringing up No.10 is **Damien Leith's** *Catch The Wind: Songs Of A Generation*. For the lovers of Hip Hop out there, **The Herd** at No.7 with their debut *Summerland* is the second hip hop album to hit the top 10 this year; the first was **Bliss N Eso's** *Flying Colours* which hit No.10 in May earlier this year.

**No.1 HERE I STAND – Usher.** He's back! After the success of his last album, the triple platinum selling *Confessions* which hit No.2 in April, 2004, **Usher** has returned with a brand new album. For this album, he has had **Jermaine Dupri**, **Timbaland**, **Beyonce** and **Jay-Z** lending their talents to his music. *Here I Stand* is the first album of his to hit No.1, previous charting albums include; *My Way* (No.37 Apr. '98) and *8701* (No.7 Feb. '02) which went double platinum. A little bit of trivia for the **Usher** fans out there – the license plate of the car on the cover of *Here I Stand* is the date of his son's birthday.

**No.4 SOMEWHERE IN THE REAL WORLD – Vanessa Amorosi.** *Somewhere In The Real World* is **Amorosi's** highest chart position since her first studio album *The Power* which hit No.1 in April 2000 and was also accredited with quadruple platinum sales. This album was recorded in America and all 13 tracks were written by **Amorosi** herself, with collaborations with some industry greats such as **Greg Wells** (**Mika**, **Timbaland**) and **Cliff Magness** (**Pink**, **Avril Lavigne**). When speaking of this album, **Amorosi** has said "Somewhere in the Real World is a journal of what I've been doing." **Amorosi's** second studio album, *Turn To Me*, reached No.21 in November 2001.

**No.7 SUMMERLAND – The Herd.** This is Australian group **The Herd's** first entry into the Top 10 of the albums chart! Their previous album, *The Sun Never Sets*, hit No.69 in October 2005. **The Herd** are an unconventional group – not at all herd-like! They began when the individuals behind the label **Elefant Traks** decided to collaborate and work together and they haven't looked back since! Their stage shows are known for also being unconventional – a typical stage set-up sees 2 MCs, 2 singers, acoustic and electric guitars, piano accordion, bass, clarinet and laptops.

**No.20 SEX AND THE CITY – Soundtrack.** After the hit TV series finished several years ago, fans are ecstatic to find that there is a movie on its way, premiering this week in Australia! Included on the soundtrack from the film is **Duffy's** *Mercy* (No.35 May '08), **Fergie's** *Labels Or Love* (No.68 this week – see singles chartifacts) and the theme from the movie.

**No.22 WE STARTED NOTHING – The Ting Tings.** **The Ting Tings** are **Jules De Martino** (drums, guitar, vocals) and **Katie White** (vocals, guitar), both from Leigh, a small town near Manchester in the UK. You may have heard their music before without realizing it, their music has been used in a recent ipod advertising campaign, as well as on the US show *One Tree Hill*. *We Started Nothing* is **The Ting Tings's** debut album and was No.1 in the UK albums chart last week.

**No.54 BEAUTIFUL HUM – Small Mercies.** **Small Mercies** couldn't believe their luck when producer **Matt Wallace** (**Faith No More** and **Maroon 5**) left a message on their myspace asking if they were in need of a producer. Three of the band members, **Steve Blaik** (vocals), **Danny Procopis** (guitar) and **Marty O'Brien** (drums) attended the same high school in Brisbane together and they started a band called **Seventh Avenue**. After several name changes and a new bass player – **Jeff Reeves** – they finally happened upon this winning combination. *Beautiful Hum* is **Small Mercies** debut album.

**No.64 BROTHERS GRIMM – Drapht.** This is **Drapht's** debut to the albums chart. He has released two other albums: *Pale Rider* and *Who Am I*. **Drapht** is **Paul Ridge**, a hip hop rapper from Perth, WA. **Drapht** has had the good fortune of supporting **The Hilltop Hoods** and performing at **The Good Vibrations** festival.

**No.99 TRIBUTARY – Ross Wilson.** This is **Wilson's** first entry into the charts since his album *Dark Side Of The Man* reached No.28 in August 1989. **Wilson** has been a corner stone of the Australian music industry, both as a solo artist and in bands such as **Daddy Cool** and **Mondo Rock** as well as producing several **Skyhook** albums. His contribution to the music industry was recognized in 1989 when he was inducted into the ARIA Hall Of Fame, and again in 2006 when **Daddy Cool** was inducted. More recently he has been a judge on the TV series *It Takes Two*. Included on this album are re-workings of some of his classic tracks such as *Eagle Rock*, *State Of The Heart* and *Bed Of Nails*.

#1 Single this week
