SINGLES. It is female domination this week! Well for the first six spots of the chart. Last time we saw such girl power was in August 2006, when the Top 8 places were all taken by the ladies. Funnily enough **Rihanna** has featured in both line ups. This week's No.6, **Take A Bow** and in 2006 with **Unfaithful**, which was sitting at No.5 that week. More news on the ladies - **Jordin Sparks** takes the No.1 throne with a little help from **Chris Brown** with **No Air**, shifting **Gabriella Cilmi's Sweet About Me** to No.2. **Coldplay's Violet Hill** marches forward into the Top 10 at No.10, jumping seven places. **Fergie** makes a quick dash this week with **Labels or Love**, racing up thirteen places to No.16. Meanwhile **Hannah Montana's Miley Cyrus** takes charge moving thirty places leaving her track, **See You Again** sitting pretty at No.25. Lastly, **Jason Mraz's I'm Yours** takes bullet of the week - jumping thirty-one spots up to No.63.

No.28 WHERE THE CITY MEETS THE SEA - The Getaway Plan. Homegrown rockers, **The Getaway Plan** formed in Melbourne in 2004 and consist of **Matthew Wright** (front man), **Clint Splattering** (guitarist), **Dave Anderson** (bassist) and **Aaron Barnett** (drummer). The band members met while attending a secondary college and all were playing in different bands. The boys decided to get together and form what we know today as **The Getaway Plan**. The band has toured nationally with some big names including - **My Chemical Romance**, **Unwritten Law**, **Kisschasy** and **The Used**. **Where The City Meets The Sea** is the groups debut to the ARIA Singles Chart. The new single can be found on **The Getaway Plan's** current album, **Other Voices, Other Rooms** (No.14 Jan. '08).

No.31 ARE YOU WITH ME - The Potbelleez. DJ virtuosos - **The Potbelleez**, who are **Dave Goode** and **Johnny Sonic** joined by **Ilan Kidron** and **MC Blu** on vocals, have blown the Australian dance scene right into the stratosphere! They made their ARIA Singles Chart debut back in October 2007 with **Don't Hold Back**. Since then the track has been accredited platinum and has spent a whopping thirty-four straight weeks in the Top 50, peaking at No.5 earlier this year. **The Potbelleez** recently toured with **Scooter** on their sold out tour of Germany and they currently hold their own night at Sydney nightclub, **Moulin Rouge**.

No.45 WHEN I GROW UP - The Pussycat Dolls. What began as a burlesque troupe fronted by the stunning **Carmen Electra**, has known turned into an all singing and all dancing pop group! **The Pussycat Dolls** which has gone through a number of line up changes currently consists of **Nicole Scherzinger**, **Melody Thornton**, **Jessica Sutta**, **Ashley Roberts** and **Kimberly Wyatt**. This is **PCD's** first single in over a year, during that time lead singer **Nicole Scherzinger** tried her hand at a solo career. **When I Grow Up** is the first single to be taken from **PCD's** forthcoming album **Doll Domination** and is their seventh consecutive Top 50 single. Other hit releases include **Don't Cha** (No.1 Aug. '05), **Stickwitu** (No.2 Jan. '06) and **Wait A Minute** (No.16 Mar. '07).

No.86 COLLIDESCOPE - Stealing O'Neal. Another homegrown act to chart this week - **Stealing O'Neal** are also from Melbourne and comprises of **Chris Scott** (vocals), **Jack Tosi** (guitarist and vocalist), **Tim O'Keefe** (bassist), **Tom Fleming** (guitarist) and **Ryan D'Sylva** (drummer). Forming in 2005, **Stealing O'Neal** have toured extensively growing their fan base larger with every gig. The band debuted on the ARIA Singles Chart in 2007 with **Spin For Me**, which peaked at #53 in May that year. **Collidescope** is an EP which features five different tracks - **Collide**, **The Sandlot**, **Anywhere But Here**, **Chin Up Baby** and **For Light, For Shade**.

ALBUMS. **Disturbed's** **Indestructible** debuts at the top spot this week. It also debuted at No.1 in USA and New Zealand. For the fourth week in a row, **Gabrielle Cilmi's** debut album **Lessons To Be Learned** has been sitting at No.2 and with the release of the long awaited **Coldplay** album this week, it will be interesting to see if **Cilmi** ever reaches No.1 on the Albums Chart... **AC/DC** still has 5 albums in the top 100; **Blow Up Your Video** at No.62, **Let There Be Rock** at No.81, **High Voltage** at No.86, **If You Want Blood You Got It** at No.94 and **For Those About To Rock (We Salute You)** at No.97. We also have two re-entries this week **Piano Man: The Best Of Billy Joel** is back in at No.76 and as mentioned before, **Coldplay's** new album is out this week, and seems to have pushed **X&Y** back in at No.79.

No.1 INDESTRUCTIBLE - Disturbed. In the lead up to this album, lead singer **David Draiman** had a string of bad luck befall him including a motorcycle accident and his garage catching fire and destroying the majority of his vehicles. He believes this has led to the album's over-all 'heavier' feel - which explains some of the track titles - **Haunted**, **The Curse** and **Deceiver**. The release of this album has pushed their first album **The Sickness** to a new peak of No.60 this week. Their two previous albums include the platinum selling **Believe** (No.32 Sep. '02) and the Gold selling **Ten Thousand Fists** (No.11 Oct. '05).

No.17 FLAVORS OF ENTANGLEMENT - Alanis Morissette. For **Morissette's** new album she co-produced it with **Guy Sigsworth** and has explored many new sounds and techniques in comparison to past albums. She has integrated beats and loops as well as her signature rock guitar fused with ethnic instruments. With the exception of **Jagged Little Pill Acoustic** (No.21 Aug. '05), all of her albums are Top 20 hits: **Jagged Little Pill** (No.1 Mar. '96) which has been accredited platinum 14 times!, **Supposed Former Infatuation Junkie** (No.2 Nov. '98) which has a double platinum accreditation, **Under Rug Swept** (No.1 Mar. '02) also platinum and **So-Called Chaos** (No.15 May '04).

No.20 HERE WE STAND - The Fratellis. **The Fratellis** is made up of Scottish boys **Jon** (vocals/guitar/piano), **Barry** (bass) and **Mince** (drums). This is their second album and has already hit No.2 on the UK Albums Chart. For this album, they created a recording studio in their native Glasgow and self-produced it. **The Fratellis** first album was **Costello Music** which hit No.57 in March 2007.

No.21 WEEZER - Weezer. This is the first album in awhile from **Weezer** where front man **Rivers Cuomo** wasn't the only song-writer and lead vocalist. **Cuomo** stepped back and other band members stepped up and contributed. The album was recorded in three separate sessions and accordingly they had two producers for this album, **Rick Rubin** and **Jacknife Lee** as well as themselves. Though self-titled, this album is also called **The Red Album**. **Weezer's** previous albums include **Weezer (Green Album)** (No.25 May '01), **Pinkerton** (No.38 Oct. '96), **Maladroit** (No.11 May '02) and **Make Believe** (No.19 May '05).

No.30 22 DREAMS - Paul Weller. "I'm fifty this year, and I think that contributed to the sense of urgency. But it also made me want to make something really special," **Weller** has said about this album. **Weller** was originally in bands **The Jam** and **The Style Council** before deciding to step out on his own. This album features guests including **Oasis' Noel Gallagher** and **Gem**. **Weller's** previous albums include **Illumination** (No.74 Oct. '02), **Heavy Soul** (No.100 July '97) and **Stanley Rd** (No.65 July '95). **Weller** is scheduled to tour here in August later this year.

No.56 EVIL URGES - My Morning Jacket. Forming in 1998, **My Morning Jacket** are from Louisville, Kentucky, USA. The band currently consists of **Jim James** (vocals, lead & rhythm guitars), **"Two-Tone" Tommy** (bass), **Patrick Hallahan** (drums), **Bo Koster** (keyboards & layout) and **Carl Broemel** (guitar). Their music is described as indie / country / southern style rock. The band took its moniker from a coat that lead singer **James**, found through the rubble of his favourite bar that had burnt down. The coat had the initials **MMJ** embroidered on it, **My Morning Jacket** was born! **Evil Urges** is the band's first album to break the ARIA Albums Chart. Previous album releases which failed to make an impact include **It Still Moves**, **Z** and **Okonokos**.

No.88 LITTLE VOICE - Sara Bareilles. **Bareilles** began studying Communications at UCLA, but spent a great deal of her spare time writing songs and poetry about her surroundings. Upon graduating, she started performing her own material and was befriended by producer **Eric Rosse** who helped her to record this album - which ended up taking a year! Showing that good things come to those who wait, the first track from this album **Love Song** is sitting at its peak of No.9 this week.

No.91 VERY BEST OF DUSTY SPRINGFIELD - Dusty Springfield. Though released in 1998, this best of collection has only now just entered the Top 100. Featured on the album is a collection of **Springfield's** Top 10 hits such as **I Only Want To Be With You**, **Wishin' and Hopin'**, **You Don't Have To Say You Love Me** and **Son Of A Preacher Man**. **Springfield's** last album to chart was **Dusty: The Original Pop Diva** (No.71 Apr. '06).

No.98 BRING YA TO THE BRINK - Cyndi Lauper. Two Emmy Awards, thirteen Grammy Awards, two American Music Awards, seven American Video Awards and eighteen MTV awards. This and more is what **Lauper** has achieved since her breakout No.1 single **Girls Just Wanna Have Fun** in the 80's. Her new album is a dance album which is set to bring her fans to their feet. For this album **Lauper** has collaborated with **Basement Jaxx** and **Kleerup**. Her previous albums include **True Colours** which was No.1 in the 80's, **A Night To Remember** (No.17 Jun. '89) accredited gold, **Twelve Deadly Cyns...** **And Then Some** (No.25 Oct. '94) and **At Last** (No.32 July '94).
