**SINGLES.** Wes Carr has done it, he has knocked Lady GaGa and her *Poker Face* off the perch down to No.2 and *You* has been crowned the No.1 single for this week. Also in news this week we see four bullets within the Top 50. The first goes to Britney Spears, up eight places to No.7 with *Circus*. Secondly, *Get Shaky* by The Ian Carey Project has bounced its way up to No.11 from No.21. Meanwhile, Rihanna's *Rehab* slides into No.27, up nine places and *Right Now (Na Na Na)* by Akon moves eleven places to No.29 this week. Lastly, Snow Patrol's *Chasing Cars* racks up its fifty-first week in the Top 100. Keep watch of this space next week to see if they make the coveted fifty-two!

**No.65 YOU FOUND ME – The Fray.** After making an impact in late 2006 and then again in early 2007, The Fray return with *You Found Me*. The quartet from Denver, Colorado consists of Isaac Slade (vocals/piano), Joe King (guitar and vocals), Dave Welsh (guitar) and Ben Wysocki (drums and percussion). The band has no official bass player, but Dan Lavery of Tonic, has been their bassist whilst on tour since 2007. *Over My Head (Cable Car)* was The Fray's debut single and went on to peak at No.22 Oct. '06. It was followed up with *How To Save A Life*, which spent fifteen weeks in the Top 20, peaked at No.2 February 2007 and has been accredited with platinum sales. *You Found Me*, will be featured on the band's self titled second album, out early 2009.

**No.69 BEAUTIFUL – Akon.** Grammy nominated artist, Akon certainly knows how to produce the hits. The performer has had four Top 10 singles in Australia and has featured on a myriad other chartbusters. Akon's top selling singles include *I Wanna Love You* (No.3 Feb. '07), *Don't Matter* (No.9 July '07), *Smack That* (No.2 Jan. '07) and *Lonely* (No.1 July '05). Akon has featured alongside the who's who of show business including Gwen Stefani, Eminem and Michael Jackson. *Beautiful* is lifted from the album *Freedom*, which has debuted at No.40 on the ARIA Albums Chart this week.

**No.72 THE BOYS ARE BACK – Zac Efron & Corbin Bleu.** This is the first of four tracks to debut within the ARIA Top 100 Singles from the *High School Musical 3: Senior Year Soundtrack*. Sung by Zac Efron and Corbin Bleu who play the characters Troy and Chad respectively. The third instalment of the series of movies follows the trials and tribulations of the final year for students at East High.

**No.78 RUN – Leona Lewis.** Winner of the 2006 series of UK's The X Factor, Leona Lewis has gone on to top charts all over the world. Lewis' debut single *Bleeding Love* topped not only the ARIA Singles Chart but also in the UK, America, Canada, New Zealand and the list goes on. The single propelled the sales of Lewis' debut album *Spirit* and it mimicked the success of *Bleeding Love*. The new single, *Run* has topped the UK chart again this week and was originally written and performed by Snow Patrol, which peaked at No.76 in September 2004.

**No.83 MY DELIRIUM – Ladyhawke.** Originally hailing from Wellington, New Zealand, singer, songwriter and multi-instrumentalist Philippa Brown a.k.a. Ladyhawke makes her second appearance on the ARIA Singles Chart. The first came with courtesy from *Paris Is Burning*, which peaked at No.52 in September this year. Before Ladyhawke flew solo, she was one half Sydney outfit – Teenager, alongside Pnau/Empire Of The Sun's Nick Littlemore.

**No.84 CAN I HAVE THIS DANCE – Zac Efron & Vanessa Hudgens.** In a case of art imitating life – real life couple Zac Efron and Vanessa Hudgens play high school sweethearts, Troy and Gabriella in *High School Musical 3: Senior Year*. This installment of the series was the first to hit the big screen, whereas #1 and #2 premiered on the Disney Channel.

**No.92 FLY ON THE WALL – Miley Cyrus.** With Miley mania still in full-swing with the tweens, 16 year old Cyrus releases the fourth single from her former No.1, platinum selling album – *Breakout*. The previous three singles are *See You Again* (No.6 July '08), *Start All Over* (No.41 Aug. '08) and *Breakout* (No.94 Sep. '08). Cyrus is the daughter of country music crooner Billy Ray Cyrus and is the star of children's series Hannah Montana.

**No.93 I WANT IT ALL – Ashley Tisdale & Lucas Grabeel.** This is the third track from the *High School Musical 3: Senior Year Soundtrack* to debut this week. *I Want It All* is taken from the part of the movie where Sharpay (played by Ashley Tisdale) is predicting the future for her and her brother, Ryan (played by Lucas Grabeel).

**No.94 RIGHT NOW (NA NA NA) INSTRUMENTAL – Akon.** This is the second track for Akon to hit the ARIA Top 100 this week. The full vocal version of *Right Now (Na Na Na)* debuted at no.78 in October this year and is currently sitting at a peak of No.29 this week.

**No.96 A NIGHT TO REMEMBER – High School Musical Cast.** In the first three days of the release of the movie, *High School Musical 3* became the highest grossing musical film to open in America. With a musical film, there has to be soundtrack that accompanies it. The soundtrack peaked at No.4 last month and is still in the Top 10 on the ARIA Albums Chart after six weeks.

**ALBUMS.** *Funhouse* by P!nk looks set to break the record previously held by Delta Goodrem's *Innocent Eyes* in 2003. *Innocent Eyes* was at No.1 for a continuous eight weeks at the beginning of October 2003. *Funhouse* has now been at No.1 for seven continuous weeks since its debut. Tune in next week to see if P!nk can outshine our own Aussie songstress! Elsewhere in the charts we see The Priests with their self-titled album leap from No.28 last week to No.17 this week. *Doll Domination* seems to be hitting Australia with The Pussycat Dolls latest album jumping from No.48 to No.37, coinciding with the release of more Australian shows added to their tour next year.

**No.40 FREEDOM – Akon.** The third album from Aliaune Thiam aka Akon and the third to enter the ARIA top 50. The hip-hop singer/songwriter/rapper rose to prominence on the back of his hit single *Locked Up* (No.33. May. '05), before topping the charts with *Lonely* (No. 1 July '05). Both tracks hailing from his debut album *Trouble* (No.12 Aug. '05). In late 2006 he released his second album *Konvicted* (No.16 Mar. '07) which boasted the likes of Snoop Dogg and T-Pain with guest appearances and Eminem featured on the platinum selling *Smack That* (No.2 Jan. '07). For *Freedom*, Akon again has enlisted some of hip-hop's royalty to feature on the album.

**No.58 LIVE IN AUSTRALIA – Andre Rieu.** Just a mere month after 38,000 people packed into the Telstra Dome in Melbourne for part of the Australian leg of Andre Rieu's world tour, the Dutch violinist/conductor/composer has released a live recording of the show. Renowned for creating an international revival of waltz music, Rieu and his Johann Strauss Orchestra have been putting on shows in an increasingly grandiose manner. The Australian shows came complete with a replica of a Viennese castle, ice rinks, fountains and a ballroom dance floor. 2008 certainly seems to have been the year for Andre Rieu in Australia; *Live In Australia* is his tenth album this year to reach the top 100 of the ARIA Albums Chart. Adding an Australian flavour to his shows and albums has also paid off for Rieu, *Waltzing Matilda* went platinum and straight to No.1 in May this year.

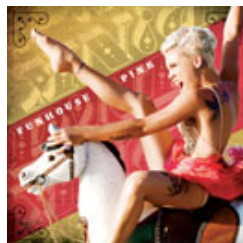

#1 Single this week
