**SINGLES.** Lady GaGa was too strong this week and regains the title with *Poker Face*, taking the No.1 spot, leaving Wes Carr's *You* at No.2. Meanwhile The Ian Carey Project is shaking things up, *Get Shakey* moves into the Top 10 at No.7. With their latest album debuting this week, it is no wonder we see some movement from Fall Out Boy's *I Don't Care*, which is up seven places to No.20. Not far behind is Paramore and their offering to the Twilight *Soundtrack – Decode*, which moves up thirteen places to No.25. On the back end of the singles chart we see Metro Station re-enter at No.53 with *Seventeen Forever*.

**No.44 AMERICA'S SUITEHEARTS – Fall Out Boy.** *America's Suitehearts* is the second single off *Folie A Deux* (No.9 Dec. '08) to enter the ARIA Singles Chart. The first single, *I Don't Care* peaked at No.20 in November this year. Fall Out Boy are a pop punk outfit that hail from Chicago, Illinois. Their biggest Australian hit to date is *Thks Fr Th Mmrs* (No.3 Sep. '07) which went platinum in November last year. Their album *Infinity On High* (No.4 Feb. '07) which contained *Thks Fr Th Mmrs* went double platinum.

**No.46 THE FEAR – Lily Allen.** *The Fear* is the lead single for Lily Allen's upcoming second album, *It's Not Me It's You*. It is scheduled for release in early 2009 and is the follow up to her 2006 debut *Alright, Still* (No.7 Aug. '06) which spawned the singles *Smile* (No.14 Sep. '06) and *LDN* (No.39 Feb. '07). The noted pop/ska feel to this record has been shifted slightly with *The Fear*, as it marks a move into a more electropop feel for the UK songstress. Aside from her blossoming pop career, Allen also hosts her own television talk show for BBC Three, *Lily Allen and Friends*.

**No.60 MOUNTAINS – Biffy Clyro.** Biffy Clyro are a rock trio from Ayrshire, a county in South-West Scotland, and comprises of Simon Neil (vocals, guitar), James Johnston (bass, vocals) and Ben Johnston (drums, vocals). Though relatively unknown in Australia, the first incarnation of what would become Biffy Clyro actually formed in 1995 under the name Screwfish. After changing their name, the band has released four studio albums, their most recent, *Puzzle* being their most successful, reaching No.2 on the UK Albums Chart in 2007. They are currently working on their as yet untitled fifth studio album.

**No.68 HOT SUMMER – Rhys.** The Australian born Rhys Bobridge was the runner up in the inaugural year of Channel 10's hit show *So You Think You Can Dance: Australia*. The hip hop dancers' debut single is a cover of *Hot Summer* by German pop group Monroe. The Comet Award winning dance-pop song went to No.1 in Austria, Germany and Switzerland and was written by Danish songwriters Remeo and Thomas Troelsen. Rhys has altered some of the lyrics for his version which sees him team up with a few of the members of Van She.

**No.85 EVERYTHING – P-Money ft Vince Harder.** P-Money is a New Zealand based DJ and producer, who has four albums under his belt; *Big Things* (2002), *Big Things Instrumentals* (2003), *Magic City* (2004), *Unreleased Joints & Remixes* (2007). He is particularly noteworthy for his work with New Zealand rapper, Scribe who featured on P-Money's *Stop the Music* (No.7 May '05), his highest charting single to date. *Everything* features Vince Harder on vocals, Harder is known for portraying the lead role of Simba in the Australian stage production of *The Lion King*. *Everything* peaked on the New Zealand Singles Charts at No.1 earlier this year.

**No.91 I'M SO PAID – Akon.** *I'm So Paid* is the second single from hip hop singer/rapper/producer Akon's third album *Freedom* (No.40 Dec. '08). The first single off the album *Right Now (Na Na Na)* currently sits at No.23 on the ARIA Singles Chart. *I'm So Paid* features Young Jeezy and Lil Wayne. Akon and Lil Wayne teamed up this year with Wyclef Jean on *Sweetest Girl* (No.28 June '08). Over the past few years Akon has scored massive hits with the double platinum *Lonely* (No.1 July '05) and *Smack That* (No.2 Jan. '07).

**No.95 LOVEBUG – Jonas Brothers.** As their name suggests, the Jonas Brothers consist of brothers Kevin, Joe and Nick Jonas. They're a boy band from Wyckoff, New Jersey who gained popularity through the children's television network Disney Channel. *Lovebug* comes off their third studio album, *A Little Bit Longer* (No.13 Oct. '08) which also contains the single *Burning Up* (No.31 Oct. '08). The album follows last years eponymous release *Jonas Brothers* which reached No.43 in April this year. Both *S.O.S.* and *When You Look Me In My Eyes* from this album reached the ARIA Top 50 Singles Chart.

**ALBUMS.** P!nk's *Funhouse* and Delta Goodrem's *Innocent Eyes* have gone head to head – Delta's *Innocent Eyes* had previously held the title for longest album at No.1 (eight weeks) since 2003. This week, P!nk and Delta share that title as P!nk's *Funhouse* has sat at No.1 for eight weeks in a row since its October release earlier this year. The next record that P!nk could possibly tie with *Funhouse* if she holds the No.1 throne for another week is held by The Beatles' *1* album which was at No.1 for nine weeks in November 2001. Stay tuned next week to see if she can tie with The Beatles and reign over Delta! Elsewhere in the albums chart, he may be gone, but he's certainly not forgotten – *Live In Australia* Andre Rieu's latest album has shot up from No.58 to No.14, while Elvis is keeping our chart in the Christmas spirit with his *Christmas Duets* which has rocketed up from No.31 to No.23 this week.

**No.9 FOLIE A DEUX – Fall Out Boy.** Their name is a reference to the cartoon sidekick of Radioactive Man from *The Simpsons*, and their pop punk styling have seen them climb the ARIA charts numerous times in the past two years. Although the quartet's third album *From Under The Cork Tree* (No.87 Mar. '07) was the first to make a splash on Australian shores, it wasn't until last years *Infinity On High* (No.4 Feb. '07) that their presence was fully noted. The first single from the album, *This Ain't A Scene, It's an Arms Race* (No.4 Feb. '07) led to a string of hits which entered the ARIA Top 20, *Thks Fr Th Mmrs* (No.3 Sep. '07) their highest climber. *Folie A Deux* is the band's fifth studio album and the first single *America's Suitehearts* debut's at No.44 this week.
