Week Commencing - 22nd June 2009 - Issue #1008

SINGLES. The Black Eyed Peas achieve a rare double this week as they occupy the top two positions on the ARIA Singles Chart with *Boom Boom Pow* and *I Gotta Feeling*. The last time this happened was in November 2007 when Timbaland held sway with *Apologise* and *The Way I Are*. Prior to that, it hadn't happened since 1985 (when Madonna did it)! Its sixth week on top moves *Boom Boom Pow* into a tie with the Peas' 2003 blockbuster *Where Is The Love?* As their longest running No.1 - will it get a seventh week or will they deny themselves by becoming the first act since the aforementioned Madonna to replace itself at the top of the ARIA Singles chart? Stay tuned to find out!

This week's top 10 welcomes three new titles - *Paparazzi* leaps from No.14 to No.3 to become the fourth Australian top 10 single for Lady GaGa, Jessica Mauboy achieves her first top 10 debuting Single as *Because* comes in at No.9 (for more on this one see below) and The Pussycat Dolls follow up their recent chart topping success with *Jai Ho!* with their 9th Australian top 10 single *Hush Hush*, *Hush Hush* up five to the No.10 position.

No.9 BECAUSE - Jessica Mauboy. Jessica Mauboy's fourth Australian chart single returns her to the top 10 after her last hit *Been Waiting* stopped at No.12 back in April (it is currently at No.49). This is her third top 10 hit following her debut solo hit *Running Back* (No.3 last October) and *Burn* which topped the chart for one week in January. All of her hits to date have been from her current album *Been Waiting* which is now at No.24 after reaching No.11 in January.

No.44 THE LETTER - Hoobastank Feat. Vanessa Amorosi. While this song appears on all copies of the latest Hoobastank album *For(n)ever*, this version of the song is specific to the album's Australian and European versions. The fourth Australian top 100 single for the American quartet of Doug Robb, Daniel Estrin, Jesse Charland and Chris Hesse, this is their second to reach the top 50 following *The Reason* which was their previous hit here, reaching No.7 in June 2004. Apparently this song will be trotted out with different female lead singers in different markets around the World and Vanessa's version is the first Cab off the rank... As far as Vanessa goes, this is her 10th Australian top 100 single since she made her debut in 1999. Of those ten hits, nine reached the top 50 and four have made it into the top 10, netting her three platinum and two gold single awards.

No.51 FEARLESS - Wes Carr. There has been as much hype about the music video accompanying Carr's latest single as the actual song! The video stars Australian actors Vince Colosimo, Matthew Newton, Charlotte Dawson and Pia Miranda as well as Carr's girlfriend Charlotte Grieg in a starring role. The video clip has a 1930's gangster vide to it, complete with burlesque dancers and an underground card game. This is Carr's third single, the first release was *You* (No.1 Dec. '08) and followed by *Feels Like Woah* (No.14 Mar. '09).

No.66 TINY DANCER (HOLD ME CLOSER) - Ironik Feat. Chipmunk & Elton John. *Tiny Dancer* by Elton John was originally the B-side to *Rocket Man*. It went on to become a top 20 hit in the early 70's and has remained one of John's favourite tracks throughout his entire catalogue. Many artists have done their own version of it including Ben Folds, Tim McGraw, Dave Grohl and John Frusciante. Ironik and Chipmunk are the latest artists to put a different spin on this iconic song, giving it an urban feel, but keeping John's vocals in the chorus. This version has hit No.3 on the UK Singles Chart.

No.76 ON TOUR - Bliss N Eso. The ARIA award winning Sydney band (originally known as Bliss n' Esoterikizm) have just released their latest single *On Tour*. The single is a bonus track taken from their album *Flying Colours* and has already received heavy airplay on Triple J. The Australian Hip Hop band have made the chart with other singles such as *Bullet And A Target* (No. 43 Nov 07) and *The Sea Is Rising* (No. 80 January 09). The band are currently rocking the nation with their *Flying Colours* tour which is rumoured to be the highest selling Australian Hip-Hop tour.

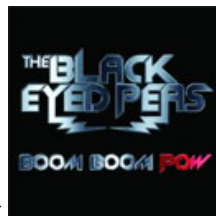

No.78 DEVILICIOUS - Nikki Webster. The girl who stole the nation's hearts in the 2000 Sydney Summer Olympics opening ceremony and with her first chart topping singles *Strawberry Kisses* (No.2 June 01) and *Dancing In The Street* (No. 19 Oct 03) has returned to the studio to spark up her music career again. Complete with a new and sassy image, the Australian pop singer recently returned from L.A. after re-inventing her style of music to be more edgy and upbeat (not so 'Bubblegum Pop'). Webster's new album is set to be released later in the year, in the mean time Webster is focusing on promoting her new single.

ALBUMS. This week the Hilltop Hoods fly the flag for Australia bringing us our third Aussie No.1 album this year, and in fact our second Aussie No.1 in 3 weeks! Elsewhere in the chart we see P!nk's epic tour continue to cause her albums to hold their own for another week, with seven of her albums staying in the top 100 for another week. Further down Simon & Garfunkel's current tour sees *The Essential Simon & Garfunkel* at No.26 and piggybacking at No.27 is their *Old Friends: Live On Stage*.

No.1 STATE OF THE ART - Hilltop Hoods. Taking a few years break between albums, the Hilltop Hoods have returned with their latest album which has already been accredited Gold. They have pulled out all the stops with this album, using members of the Adelaide Symphony Orchestra and guest rappers Pharoahe Monch and Trials. The boys are currently touring Europe (and selling out venues in London no less!) and there is a planned Australian tour in July. This is their second No.1 album; the first was *The Hard Road* (Apr. '06). Other albums to attain a chart position include *The Calling* which hit No.53 in April 2004 and *The Hard Road Restrung* (No.8 May '07).

No.20 MONUMENTS AND MELODIES - Incubus. *Monuments and Melodies* is Incubus' first compilation album of previous hits. Included on this album are the tracks *Drive* (No.34 Sep. '01), *Wish You Were Here* (No.39 Jan. '02), *Nice To Know You* (No.59 Mar. '02), *Are You In?* (No.38 Jul. '02) and *Megalomaniac* (No.36 Feb. '04). To add to this collection are new and previously un-released tracks as well as a cover of Prince's *Let's Go Crazy*. Excluding their debut album, *S.c.i.e.n.c.e.*, Incubus' albums have all charted within the top 30 of the albums chart; *Make Yourself* (No.24 May '01), *Morning View* (No.3 Oct. '01), *A Crow Left Of The Murder* (No.2 Feb. '04) and *Light Grenades* (No.15 Dec. '06).

No.50 CHICKENFOOT - Chickenfoot. Chickenfoot is not just an ordinary band, but a super-band made up of musicians who have already made a name for themselves in bands or as solo artists. Chickenfoot is made up of Sammy Hagar previously of Van Halen and Montrose (vocals), Michael Anthony also previously of Van Halen (bass), Joe Satriani (guitar) and Chad Smith of Red Hot Chili Peppers (drums). In the US *Chickenfoot* has hit No.4 in the Billboard 200.

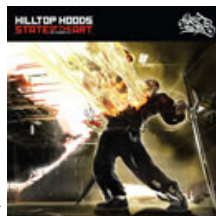

#1 Single this week
