**SINGLES.** *Sexy Bitch* proves too strong for Guy Sebastian's *Like It Like That*, which moves up to No.2 and leaving David Guetta at No.1 for his second week. Alesha Dixon waltzes into the top 10 at No.9 with *The Boy Does Nothing*, which is up nine places and not far behind is Mariah Carey's *Obsessed* at No.13 up from No.19. The biggest mover this week goes to The All-American Rejects, they head into No.26 with *I Wanna*, which is up from No.65 – that's thirty-nine spots! Well done...

No.31 **THE FIXER** – Pearl Jam. They are one of the original grunge music pioneers and they are back with their first single in six years. Pearl Jam formed in 1990 and the line up has not changed since 1998, when Matt Cameron formerly from Soundgarden joined the band as their drummer. The rest of the band consists of Eddie Vedder (frontman / guitar), Jeff Ament (bass guitar), Stone Gossard (rhythm guitar) and Mike McCready (lead guitar). Pearl Jam who are set to tour our shores later this year are certainly no stranger to the high end of charts, previous hits include *Last Kiss* (No.1 Aug. '99), *Spin The Black Circle* (No.3 Nov. '94) and *Alive* (No.9 Apr. '92).

No.58 **LOVE DRUNK** – Boys Like Girls. Making their debut to the ARIA Singles Chart is American rock band – Boys Like Girls. Hailing from Boston, Massachusetts, the bands members are Martin Johnson (lead vocals / guitar), Paul DiGiovanni (lead guitar / vocals), Bryan Donahue (bass guitar / backup vocals), and John Keefe (drums). Boys Like Girls have toured with the likes of Good Charlotte, Metro Station and Cobra Starship. The band cites Blink 182, Jimmy Eat World and Dashboard Confessional as influences.

No.59 **I WILL BE HERE** – Tiesto Feat. Sneaky Sound System. He is one of the biggest trance DJ / producers in the world and they are Australia's very own dance act who are taking over the world with their infectious music and together they make perfect music in the form of, *I Will Be Here*. Dutchman Tiësto has joined forces with Sneaky Sound System for the first single to be taken off his latest album, *Kaleidoscope*. Tiësto is set to embark on a world tour for his new album, which will include a stop off in Australia in late January 2010.

No.69 **NEW PERSPECTIVE** – Panic! At The Disco. Making their debut in 2006 with *I Write Sins Not Tragedies* (No.12 Aug. '06), Panic! At The Disco release their fifth single and the first without original band members Ryan Ross and Jon Walker, who departed due to musical differences. *New Perspective* was written by frontman, Brendon Urie a couple of years ago, after he awoke from a dream that he had to write about. The single is being used to promote new movie – *Jennifer's Body* which stars Megan Fox.

No.81 **ONE LOVE** – David Guetta Feat. Estelle. Man of the moment – David Guetta just can not step a foot wrong! With *When Love Takes Over* featuring Kelly Rowland leading the way on the singles front, the track peaked at No.6 in June earlier this year. Only to better that with *Sexy Bitch* featuring Akon, which spends its second week at No.1 on the ARIA Singles Chart and it's first at No.1 on the ARIA Club Chart. *One Love* is also the title of his latest album – out now!

No.89 **IGNORANCE** – Paramore. Riding on the huge success of their single, *Decode* (No.12 Jan. '09), Paramore who are Hayley Williams (lead vocals), Josh Farro (lead guitar / backing vocals), Jeremy Davis (bass guitar), Zac Farro (drums) and Taylor York (rhythm guitar), release *Ignorance*. The new track is the first to be lifted from the forthcoming album *Brand New Eyes*, which is slated for release later this month.

**ALBUMS.** A big week of movements in the chart. After ten weeks, the Black Eyed Peas have returned to the top with *The E.N.D.*; as last's week's No.1 album, Short Stack's *Stack Is The New Black* drops rather swiftly to No.13. Kate Miller-Heidke's *Curiouser* continues to climb up the chart, moving up six spots this week to No.6. Another big climb comes from Jessica Mauboy. Her album *Been Waiting* jumped nineteen spots this week, to No.26. The biggest climb of the week, however, comes from U.S. singer songwriter Melody Gardot. Her second album, *My One And Only Thrill* has come from outside of the 100 to be sitting nicely at No.28. It comes on the back of Gardot's recent tour. Her debut album, *Worrisome Heart*, is amongst this week's new entries.

No.2 **HUMBUG** – Arctic Monkeys. Returning to the scene with a harder sound and longer hair, Arctic Monkeys show they're still a favourite with fans. The group's third album, *Humbug* was recorded with the help of Josh Homme of Queens of the Stone Age and James Ford of Simian Mobile Disco. This chart placing continues the band's good fortune in Australia, with previous albums *Whatever People Say I Am, That's What I'm Not* (No.1 Feb. '06) and *Favourite Worst Nightmare* (No.2 Apr. '07). Some of the tracks from *Humbug* were first aired when the group toured Australia at the start of the year.

No.5 **SHAKA ROCK** – Jet. Another band returning to the chart with their third album is Melbourne lads, Jet. *Shaka Rock*, which was recorded across studios in the U.S., Sydney and Melbourne, features current single *She's A Genius* (No.23 Aug. '09). The band's previous two albums have both done considerable well on the charts. Debut album *Get Born* (No.1 May '04) achieved platinum eight times over and spent more than two years in the chart. Sophomore release *Shine On* (No.3 Oct. '06) also went platinum, though didn't have the same slow-burning run in the charts of its predecessor. The band is one of the headliners for this year's Homebake festival.

No.15 **SEIZURES** – Kisschasy. To complete a trio of new entries by bands releasing their third album, Melbourne's Kisschasy jump into the chart with their latest offering, *Seizures*. The album was recorded in Los Angeles and produced by Rob Schnapf (The Vines, Powderfinger). *Seizures* follows on from *United Paper People* (No.15 Aug. '05) and *Hymns For The Nonbeliever* (No.5 July '07). To celebrate the album's release, Kisschasy will soon be embarking on a national tour.

No.18 **THE ESSENTIAL 3.0** – John Farnham. Released to coincide with his upcoming "Live By Demand" concert tour, this new compilation by John Farnham is the latest in a long line of charting releases. The three-disc set spans Farnham's entire career; although it doesn't have *Sadie* on it! It does, however, have many songs from Farnham's former No.1 albums - *Age Of Reason* (July '88), *Chain Reaction* (Oct. '90), *33 1/3* (Aug. '00) and *The Last Time* (Dec. '02). It's believed Farnham may have an album of new material out before the end of the year.

No.27 **HANNAH MONTANA 3** – Hannah Montana. This album is the latest soundtrack to the television series of the same name. It sees Miley Cyrus performing as her alter ego, Hannah Montana. It is the ninth release to come out of the *Hannah Montana* franchise and follows on from other charting releases *Hannah Montana 2/Meet Miley Cyrus* (No.20 Jan. '08), *Hannah Montana and Miley Cyrus: Best Of Both Worlds Concert* (No.16 July '08) and Cyrus' first standalone album, *Breakout* (No.1 Sept. '08).

No.37 **HOT AUGUST NIGHT / NYC** – Neil Diamond. This new live album by Neil Diamond is the follow up to 1972's *Hot August Night*. The original album spent twenty-nine weeks at No.1 on the Australian charts and was still charting in the top 20 in 1976. The original album was recorded in Los Angeles, while this new release was recorded over four nights before an audience at the famed Madison Square Garden in Diamond's hometown, New York City.

No.68 **OPERA'S GREATEST CHORUSES** – Opera Queensland Chorus. Opera Queensland Chorus celebrates some of the defining choral moments in opera with this new release. Featuring famous tracks by the likes of Wagner, Verdi, Mozart and Beethoven, the ensemble displays how the sheer power of the mass human can bring life to pieces, some of which are centuries old.

No.93 **WORRISOME HEART** – Melody Gardot. The debut album by singer-songwriter Melody Gardot makes its chart debut, a week after she performed at the Sydney Opera House. Gardot, a native of Philadelphia, was hit by a car in 2003. She suffered head and spinal injuries, along with a shattered pelvis. Having already learnt to play music at a young age, Gardot began to play music as a form of therapy during her rehabilitation. Despite this being her debut album, Gardot has already charted in Australia with her second album, *My One And Only Thrill* (No.28 Aug '09).

No.95 **BEST OF: SONGS FROM MY BLACK CATTLED OG** – Tex Perkins. Never an artist to be accused of a poor work ethic, Tex Perkins is a man who has many musical endeavours to his name. This new collection gathers up a selection of tunes from many facets of his career, including work with The Cruel Sea, TrT (with Tim Rogers), Tex, Don and Charlie and The Dark Horses. One area it doesn't cover is Perkins' work with the Beasts of Bourbon. That band's first three studio albums were recently reissued in a box set.

#1 Single this week
