CHARTIFACTS

Week Commencing 21 September 2009 Issue #1021

SINGLES. Reclaiming the top spot is David Guetta's *Sexy Bitch*, which chalks up its fourth week at No.1 this week. In turn we see Guy Sebastian slip into No.2 with *Like It Like That*. With big name acts touring here now and in the next couple of months we see a lot of action happening with first up, Black Eyed Peas jumping eight places to No.8 with *Meet Me Halfway*. La Roux, who is one of the headlining acts for next month's Parklife moves to No.26 from No.42 with *Bulletproof* and currently touring, Beyonce has two bullets this week with *Broken-Hearted Girl* at No.28 up from No.57 and *Single Ladies (Put A Ring On It)*, climbs a massive thirty-one spots to No.41. Meanwhile, Pearl Jam's *The Fixer* heads up nine places to No.35 and finally, after making its television debut this week, *Glee* and the song from the series *Don't Stop Believing* waltzes into No.21 up from No.62.

No.48 COMEBACK – Grinspoon. This quartet originally from Lismore is making a *Comeback* (excuse the pun) after a two year hiatus from our chart. Grinspoon who formed in 1995 still has the original line-up which includes frontman, Phil Jamieson, Pat Davern on guitar, Joe Hansen on bass, and Kristian Hopes on drums. They were the very first band to win the Triple J Unearthed competition and are also ARIA Award winners. *Comeback* is the first single from *Six To Midnight*, which debuted at No.6 this week on the ARIA Albums Chart. Previous single releases from Grinspoon include *Hard Act To Follow* (No.24 Aug. '04), *Chemical Heart* (No.25 Mar. '02) and *Pushing Buttons* (No.13 Oct. '98).

No.62 WE WEREN'T BORN TO FOLLOW – Bon Jovi. Stalwarts of the music industry, Bon Jovi are heading back to their original sound after a highly successful run with their last country music influenced album, *Lost Highway* (No.2 Jan '08). *We Weren't Born To Follow* is the first single since 2005's *Have A Nice Day* (No.8 Sep.) to make an impact on the ARIA Singles Chart. The new track follows other chart hits including *Bad Medicine* (No.4 Oct. '88), *Always* (No.2 Nov. '94) and *It's My Life* (No.5 July '00).

No.79 HOTEL ROOM SERVICE – Pitbull. Born Armando Christian Perez, aka Pitbull took his stage name from the dog saying "the dog bites to lock. The dog is too stupid to lose and they're outlawed in Dade County. They're basically everything that I am. It's been a constant fight." Pitbull rose to fame after being featured in a number of tracks from prominent artists including Lil Jon, Twista and The Ying Yang Twins. He was also asked to join headliners Eminem and 50 Cent on the Anger Management Tour in 2005. *Hotel Room Service* follows *I Know You Want Me (Calle Ocho)* (No.6 Aug. '09) and *Krazy* (No.38 Apr. '09). All of which have been lifted from Pitbull's latest album *Rebution* (No.63 Sep. '09).

No.96 SWEET DISPOSITION – The Temper Trap. Hailing from Melbourne The Temper Trap, recently moved to the UK to broaden their horizons musically. The four-piece consists of Dougy Mandagi (vocals/guitar), Jonathon Aherne (bass), Lorenzo Sillitto (guitar/keyboards) and Toby Dundas (drums). *Sweet Disposition* has proven to be a hit overseas, with it peaking at No.15 in the UK and Ireland and No.28 in Japan. It follows *Fader* (No.88 Sep. '09) and is taken from the album *Conditions* (No.9 June '09).

No.97 I MISS EVERYTHING – Marc Collis. New to the music scene, Marc Collis is currently on tour with John Farnham and can call Farnham's manager, Glen Wheatley and Molly Meldrum fans. Collis comes from Bendigo in Victoria and started singing at an early age. The talented singer/songwriter makes his debut to the ARIA Singles Chart this week.

ALBUMS. A massive week of movement on the album chart this week, with twelve new entries and another twelve re-entries. With a full week of sales, The Beatles reissues have moved up the chart. Now, twelve of the group's thirteen studio albums are sitting in the top 100, along with *Past Masters (Volumes 1 & 2)* at No.34 up from No.83. The only one not in the chart is *Yellow Submarine*, which is only half a Beatle album anyway. *Abbey Road* claims the highest spot at No.12, followed by *The Beatles (The White Album)* at No.15 and *Sgt Pepper's Lonely Hearts Club Band* at No.16. Hits collection *1* has also re-entered the chart for the 118th week. Elsewhere, Muse's *Black Holes And Revelations* has jumped back into the chart at No.70 on the back of the release of their new album, *The Resistance* (this week's No.1 album).

No.1 THE RESISTANCE – Muse. Storming in at No.1 this week is, *The Resistance*, the highly anticipated new album from British three-piece, Muse. This is the band's fifth album and their second to debut at the top spot on the ARIA chart after previous album *Black Holes And Revelations* (No.1 July '06). The album sees the band, already known for their progressive rock leanings, venturing into more symphonic sounds. Included on the album is a three-part symphony spread over three tracks.

No.6 SIX TO MIDNIGHT – Grinspoon. A trifecta of sixes for Grinspoon this week; coming in at No.6 is their sixth album, *Six To Midnight*. It's the band's first album to be released on their Chk Chk Boom label. *Six To Midnight* continues the band's run of top ten albums that began with their second album *Easy* (No.4 Nov. '99) and has continued with releases such as *New Detention* (No.2 June '02) and *Alibis & Other Lies* (No.2 July '07). The band launched the album last week with a short run of shows down the east coast.

No.9 THE BLUEPRINT 3 – Jay-Z. The long-awaited third part of Jay-Z's *Blueprint* trilogy helps to give the hip hop megastar his highest chart placing on the ARIA Albums Chart. *The Blueprint 3* is Jay-Z's eleventh studio album and contains the hit song *Run This Town* (No.13 Sep. '09). The album features Jay-Z and Kanye West as executive producers. Amongst others contributing production skills are Timbaland and The Neptunes.

No.11 ENDGAME – Megadeth. Heavy metal heroes, Megadeth return with their twelfth studio album *Endgame*. The album was recorded in California and was produced by the band's leader, Dave Mustaine and Englishmen Andy Sneap; who also produced their last album *United Abomination* (No.23 May '07). Megadeth will be touring Australia in October with metal heavyweights Slayer and Double Dragon.

No.17 KINGS & QUEENS – Jamie T. Wimbledon-raised singer-songwriter Jamie T (the T stands for Treays) returns to the chart with his second album, *Kings & Queens*. It is the follow-up to *Panic Prevention* (No.88 Mar. '07); a popular album amongst the indie club crowd. Jamie T is currently in Australia to promote the album. He'll be returning here in late December and January to tour nationally and make an appearance at the Falls Festival.

No.26 DRAW THE LINE – David Gray. The eighth studio album from Manchester-born David Gray is his first since *Life In Slow Motion* (No.8 Sep. '05). This album features two duets; one with American artist Jolie Holland and one with former Eurythmics vocalist Annie Lennox. Gray owns the studio that previously belonged to the Eurythmics. When Lennox arrived at the studio, she was unimpressed by the fact that Gray had not changed the carpet that had been there since the 80's.

No.35 THE INCIDENT – Porcupine Tree. Porcupine Tree is a progressive rock band that formed in England in 1987. *The Incident* is the band's tenth studio album. Disc one of the album is a fifty-five minute-long song cycle made up of fourteen movements. The album works around the concept that "after this, things will never be the same again". A second disc containing four unrelated tracks make up the second disc of the release. This is Porcupine Tree's highest chart entry.

No.47 GET LUCKY – Mark Knopfler. Former Dire Straits frontman, Mark Knopfler returns to the chart with *Get Lucky*. Since splitting the multi-million selling band in 1995, Knopfler has released six solo albums, all of which have charted in the ARIA top 100. Knopfler's highest charting solo album is *Sailing To Philadelphia* (No.16 Nov. '00).

No.81 NEW JUNK AESTHETIC – Every Time I Die. The fifth studio album from Buffalo, New York metalcore outfit Every Time I Die. *New Junk Aesthetic* features guest appearances by Pete Wentz from Fall Out Boy, Greg Puciato of The Dillinger Escape Plan and Matt Caughthran of The Bronx. This is the band's first appearance in the ARIA Albums Chart.

No.83 THE BLUE RIDGE RANGER RIDES AGAIN – John Fogerty. Country-rock pioneer and Creedence Clearwater Revival frontman, John Fogerty returns with an album covering some classic artists. The album, which is a sequel to his first solo album, 1973's *The Blue Ridge Rangers*, sees Fogerty cover the likes of John Denver, Buck Owens, John Prine and The Everly Brothers. Featuring on this album is a host of big names including Bruce Springsteen and Don Henley.

No.85 #1'S... AND THEN SOME – Brooks & Dunn. Country duo Brooks & Dunn go out with a bang with this, their final release together. The two-disc set spans their two decade-long career and includes two new tracks, one of which features Billy Gibbons of ZZ Top. Brooks & Dunn announced in August that they would be splitting in 2010 after *The Last Rodeo Tour*.

No.95 LOVE DRUNK – Boys Like Girls. *Love Drunk* is the second album by American pop-rock band Boys Like Girls. This is the four-piece's first appearance on the ARIA Albums chart. Adding her vocal skills to the track *Two Is Better Than One* is country-pop star Taylor Swift. The band is currently touring the U.S. with Cobra Starship.

#1 Single this week
