Week Commencing ~ 5 October 2009 ~ Issue #1023

SINGLES. The Australian public has spoken and it seems they just can't get enough of David Guetta's *Sexy Bitch*, which remains at the peak for another week. After a sold out show in Sydney, The Script are climbing up double pace with *Before The Worst* moving nine places to No.17 and *Breakeven* has moved sixteen places to No.40. Meanwhile, La Roux who played *Parklife* over the long weekend, jumps from No.30 to No.18 with *Bulletproof*. With news that Muse will be headlining 2010's *Big Day Out*, their latest single - *Uprising* is on the rise, leaping ten spots to No.23 and lastly, *Starstruck* by 3OH!3 bolts into No.28 up from No.44.

No.29 **CHILLIN** - Wale feat. Lady Gaga. Born September 21 1984, Olubowale Victor Folarin aka Wale (pronounced Wah-Lay). The Nigerian-American rapper signed to super-producer Mark Ronson's Allido Records last year, which lead Wale to feature on Daniel Merriweather's track, *Change* (No.47 May '09). Chillin is Wale's debut single to the ARIA Chart.

No.38 **TAKE A BOW** - Glee Cast. With the television series catching on like wildfire, the Glee Cast has a lot to sing about this week with three new entries into the top 100. The first up is *Take A Bow*, originally by Rihanna that peaked at No.3. The Glee Cast version is sung by Rachel Berry, played by Lea Michele.

No.59 **GOLD DIGGER** - Glee Cast. This version of Kanye West's *Gold Digger* featured on the Glee show titled, *Showmance*. It is performed by the entire *Glee Club* - Finn Hudson, Rachel Berry, Mercedes Jones, Kurt Hummel, Artie Abrams, Tina Cohen-Chang, Noah "Puck" Puckerman and Quinn Fabray. *Gold Digger* was previously a No.1 single on the ARIA Charts in 2005.

No.60 **PUSH IT** - Glee Cast. Looking further into the Glee Cast, the members of the singing club include two footballers, a head cheerleader, an Asia-American gothic with a speech impediment, a paraplegic musician, a flamboyant male soprano, a diva with a keen fashion sense and the star singer who gets bullied around by her peers. Quite a mixed bunch! *Push It* was originally performed by Salt-N-Pepa and was a No.3 hit for them in October 1988.

No.76 **GET SEXY** - Sugababes. This English trio comprised of Heidi Range, Amelle Berrabah and Jade Ewen. *Get Sexy* is the last track to feature original member, Keisha Buchanan before her departure from the group. It recently peaked at No.2 on the UK Singles Chart. Previous hits from the Sugababes include *Push The Button* (No.3 Jan. '06), *Round Round* (No.13 Dec. '02) and *Overload* (No.27 Apr. '01).

No.94 **WHATCHA SAY** - Jason DeRulo. Multi-talented Jason DeRulo makes his debut to the ARIA Singles Chart this week with *Whatcha Say*, which recently peaked at No.5 on the Billboard Chart. The new single samples Imogen Heap's *Hide And Seek*. DeRulo is an accomplished singer, songwriter, choreographer and vocal producer who has worked with the likes of Cassie, Kat DeLuna and Lil Wayne.

ALBUMS. Another big week for new entries onto the chart. It's now the third week in a row that we've had a new No.1 album. The previous two No.1's, by Pearl Jam and Muse respectively, remain in the top three. Big movers this week come from current touring artists John Farnham and The Script. Both have moved up fourteen places from last week. Eskimo Joe's latest offering, *Inshalla*, has moved eighteen places up to No.54. With her second album *It's Not Me, It's You* still sitting in the top 20, Lily Allen's debut *Alright, Still* has re-entered the chart for its 63rd week on the back of announcements that she is quitting music and heading our way for next year's Big Day Out.

No.1 **BRAND NEW EYES** - Paramore. The third studio album from Franklin, Tennessee five-piece Paramore is their first to reach the top of the ARIA chart. Recorded in Los Angeles in the early part of 2009, *Brand New Eyes* has been described as "therapy" by vocalist Hayley Williams. The band was on the verge of splitting up before the recording took place. Instead, they channeled their emotions into the album's music and lyrics. The band's track *Decode* (No.12 Jan. '09) was the lead track from the first *Twilight* film. Paramore have seen previous chart action with *Riot!* (No.47 June '09) and live album *The Final Riot!* (No.38 Jan. '09).

No.12 **BLACK GIVES WAY TO BLUE** - Alice In Chains. Reformed American hard rockers Alice In Chains release their first studio album in fourteen years and score a hit with *Black Gives Way To Blue*. This is also the band's first album without founding vocalist Layne Staley, who died from a drug overdose in 2002. New vocalist William DuVall joins founding members Jerry Cantrell (guitar) and Sean Kinney (drums), as well as bassist Mike Inez, in this incarnation of the group. Alice In Chains rose to fame in the early 1990s grunge explosion. Their highest charting album was their self-titled third album (No.5 Nov. '95).

No.16 **CRASH LOVE** - AFI. Returning to the ARIA chart for the first time in more than three years, Californian punks AFI drop new album, *Crash Love*. The album, the group's eighth, is their first since *Decemberunderground* (No.3 June '06). The band worked on a selection of side projects after all commitments for their previous album had finished; singer Davey Havok and guitarist Jade Puget formed an electronic act called Blaqk Audio, bassist Hunter Burgan formed Hunter Revenge and Havok also started a fashion line, *Zu Boutique*. *Crash Love* features contributions by a selection of competition winners who were hand-picked by the band. AFI head to Australia in February as part of the *Soundwave Festival*.

No.18 **TONGUE N' CHEEK** - Dizzee Rascal. Making his debut appearance on the ARIA Albums Chart is UK garage MC Dylan Mills; the man most commonly known as Dizzee Rascal. *Tongue N' Cheek* is Dizzee's fourth album and contains the popular singles *Dance Wiv Me* (No.13 Oct. '08), *Bonkers* (No.13 Aug. '09) and *Holiday* (No.39 Sep. '09). His first album, 2003's *Boy In Da Corner*, was the winner of the prestigious *Mercury Music Prize*. Last week, Dizzee Rascal was announced as one of the acts who will be touring as part of next year's Big Day Out.

No.22 **LOVE IS THE ANSWER** - Barbra Streisand. Making her return to the chart this week is the incomparable Barbra Streisand. This album, her 34th studio album and her first since *Guilty Pleasures* (No.22 Oct '05), is made up of jazz standards by the likes of Leonard Bernstein and Jaques Brel. It features such classics as *Smoke Gets In Your Eyes*, *Some Other Day* and *If You Go Away*. *Love Is The Answer* was produced by acclaimed Canadian singer Diana Krall, who also plays piano on the album.

No.25 **WE'LL MEET AGAIN (THE VERY BEST OF VERA LYNN)** - Vera Lynn. A new compilation of tracks by English songstress Vera Lynn. Lynn is best known for her war-time hits *We'll Meet Again* and *(There'll Be Bluebirds Over)* *The White Cliffs Of Dover*. To many people's surprise, this album reached No.1 on the UK albums chart when it was released in September; beating all of the re-mastered Beatle albums.

No.34 **HOPE IS FOR HOPERS** - Philadelphia Grand Jury. Making their chart debut this week is Sydney three-piece Philadelphia Grand Jury. Since forming in early 2008, the band has managed to build a strong reputation. Their track *Going To The Casino* has received heavy radio play and featured in the second series of *Underbelly*. To launch the album, the band played seven shows around Sydney on September 25. The band will be touring Australia from October 21.

No.40 **DAISY** - Brand New. Formed in 2000, Brand New are a five-piece band from Long Island, New York. *Daisy* is the band's fourth studio album and their first to enter the ARIA Albums Chart. It reached No.6 on the Billboard chart. Lead vocalist Jesse Lacey has described the album as "a pretty exhausting record" to listen to because of the band's decision to not always go with obvious directions in songs.

No.58 **EVACUATE THE DANCEFLOOR** - Cascada. The third album by German dance outfit Cascada marks their entry onto the ARIA Albums Chart for the first time. *Evacuate The Dancefloor* sees the trio - Natalie Horler, DJ Manian and DJ Yanou, move away from the eurodance sounds of their previous two releases and more towards electro-pop. The album reached No.8 when released in the UK and made it to No.7 on Billboard's Dance/Electronic Albums chart.

No.59 **FAME** - Soundtrack. Entering the chart this week is the soundtrack to the film *Fame*. No, not the 1980 film but its loose 2009 remake. The soundtrack features tracks recorded by the film's cast, as well as tracks by the likes of Sam Sparro and Santigold. Also included is a re-working of the film's famous theme song, sung by cast member Naturi Naughton.

No.69 **HOLY SMOKE** - Gin Wigmore. The debut album for NZ-born Sydney-based singer-songwriter, Gin Wigmore was recorded at Hollywood's famed Capitol Studios. Her backing band for the album sessions were The Cardinals, the band best known for backing Canadian troubadour, Ryan Adams. At the age of sixteen Wigmore won the US-based International Song Writing Contest with a song called *Hallelujah*. She was the competition's youngest ever winner.

#1 Single this week
