Week Commencing ~ 14 December 2009 ~ Issue #1033

SINGLES. Ke\$ha is still dominating the chart for the sixth consecutive week with *Tik Tok*. There are five bullet performers in the top 50 this week. The biggest mover goes to Robbie Williams, who has managed to go from No.75 to No.33 with *You Know Me*. This is closely followed by Timbaland's *Morning After Dark* flying in at No.38 up thirty-nine spots.

No.15 ONE WAY ROAD – John Butler Trio. This ARIA Award-winning band is fronted by John Butler, who is joined by Bryon Luiters on bass and Nicky Bomba on drums. Luiters has only been working with the trio since June of this year and Bomba, who is Butler's brother-in-law, worked with JBT on the recoding of the *Sunrise Over The Sea* (No.1 Mar. '04) album. *One Way Road* is the first of two single to debut on the ARIA Single Chart this week and will be featured on JBT's upcoming album *April Uprising* – out early next year.

No.47 TRUE COLOURS – Glee Cast. This is the first of three Glee Cast tracks to debut in the top 100 this week. Originally released by Cyndi Lauper in 1986. *True Colours* was a top 5 hit for Lauper and her seventh consecutive Top 20 release. The Glee Cast version is sung by the character Tina and is featured on *Glee: The Music, Volume 2 Soundtrack*.

No.50 AND THE BOYS – Angus & Julia Stone. Hailing from Newport on the northern beaches of Sydney, brother and sister duo, Angus and Julia Stone make their second appearance on the ARIA Single Chart. Their debut to the chart was the single *The Beast*, peaking at No.40 in September 2007. *And The Boys* was premiered on *Triple J* last month and is the first track to be lifted off their new album, *Down The Way* which will be released in March 2010. The album release will coincide with a national tour.

No.52 GIVE ME THE MELTDOWN – Rob Thomas. Singer, songwriter, guitarist and frontman of Matchbox Twenty, Rob Thomas makes a return to our chart this week. It is Thomas' seventh single since trying his hand at the solo game in 2005. *Lonely No More* was Thomas' platinum-selling debut and it peaked at No.3 in May 2005. It was followed by two more top 30 hits: *This Is How A Heartbreaks* (No.13 July '05) and *Ever The Same* (No.29 Nov. '05). *Give Me The Meltdown* is the second track to be taken off his *Cradlesong* (No.3 Aug. '09) album. The first was *Her Diamonds* (No.3 June '09).

No.60 LAST CHRISTMAS – Glee Cast. The Glee Cast takes on yet another classic from the vaults. This time it is Wham's 1984 Top 3 hit, *Last Christmas*, which was written by Wham member George Michael. Released just in time for the festive season, this release follows on from a string of songs the Glee Cast has released. They include *Halo/Walking On Sunshine* (No.10 Nov. '09), *It's My Life/Confessions Pt. II* (No.22 Nov. '09) and *Sweet Caroline* (No.37 Nov. '09).

No.77 I'M READY – John Butler Trio. Following on from their No.15 debut also this week, JBT back it up with *I'm Ready*. The ever-evolving trio has released a number of tracks with the most notable being *Funky Tonight* (Live at 2007 ARIAs) (No.11 Nov. '07), *Funky Tonight* (No.15 Dec. '06) and *Better Than* (No.16 Sep. '07).

No.82 IMAGINE – Glee Cast. The final entry from the Glee Cast is none other than John Lennon's *Imagine*. The timeless classic originally topped the charts in 1971 and re-entered the charts ten years later. *Imagine* is featured on the *Glee: The Music, Volume 2 Soundtrack*, which has topped the ARIA Digital Albums Chart this week.

ALBUMS. There seems to be no stopping Susan Boyle; the Scot tops the chart for the second week running by a considerable margin. The top ten has also seen jumps by both the Foo Fighters and Black Eyed Peas. Fleetwood Mac mark the second week of their national tour with another move up the chart to No.17. *The Very Best Of Fleetwood Mac* has now spent 250 weeks in the top 100 and this week returns to its former peak position, previously held in June 2006.

No.6 THE FAME MONSTER – Lady Gaga. 2009 has been a year where Lady Gaga has been almost inescapable. This new release by the eccentrically-attired pop star brings together tracks she's written in the 18 months since she burst onto the scene and deals with the trappings her worldwide fame has exposed her to. The tone of *The Fame Monster* is much darker and gothic-inspired to that of *The Fame* (No.3 Dec. '09). *The Fame Monster* contains the singles *Bad Romance* (No.2 Dec. '09), *Telephone* (Featuring Beyonce) (No. 29. Nov. '09) and *Monster* (No.80 Nov. '09). *The Fame Monster* makes its debut on the chart after several weeks being tied together with the original release of *The Fame*. The new part of the product, *Monster*, is to get a standalone release. This means that *The Fame Monster* must now chart separately from *The Fame*. Lady Gaga returns to Australia for a national tour in March.

No.8 GLEE: THE MUSIC – SEASON ONE – VOLUME 2 – Soundtrack. A month after the first installment (No.3 Nov. '09) stormed the charts, the second soundtrack to the super-popular TV series, *Glee*, has done the same. This collection brings together tracks that featured in the second half of the show's first season. It includes cast recordings of *Lean On Me* (No.76 Dec. '09), *True Colours* (No. 47 Dec. '09) and *Imagine* (No.82 Dec. '09). It's quite possible that *Glee* will be a presence on the chart for quite a while to come with more new episodes due in the new year.

No.36 THIS IS WAR – Thirty Seconds To Mars. The third album by American rockers Thirty Seconds To Mars is their first in four years. It follows on from *A Beautiful Lie* (No.20 Mar. '07) and features the current single *Kings And Queens* (No.67 Oct. '09). Appearing as special guests on the track *Hurricane* are Kanye West and The Killers' Brandon Flowers. Thirty Seconds To Mars is lead by actor Jared Leto; known for his performances in *Fight Club*, *American Psycho*, and *Requiem For A Dream*. He also played John Lennon's killer, Mark David Chapman, in widely-panned *Chapter 27*.

No.40 GRAFFITI – Chris Brown. R&B star Chris Brown expands his musical palate with third album, *Graffiti*. The album, the follow-up to *Exclusive* (No.5 Aug. '08) includes adventures into reggae, soul and electro with help from Game, Trey Songz, Lil Wayne, Swizz Beatz, Eva Simons and Lupe Fiasco. Brown has stated that he hopes to take the lead from the likes of Prince, Stevie Wonder and Michael Jackson and be able to encompass a lot of different styles.

No.45 TIMBALAND PRESENTS SHOCK VALUE II – Timbaland. Following the success of *Shock Value* (No.1 Jan. '08), hip hop super-producer Timbaland has recruited another varied array of collaborators to make *Shock Value II*. Featuring on this installment are collaborations with Katy Perry, Justin Timberlake, Brandy, Miley Cyrus, Nelly Furtado, The Fray, OneRepublic and Australia's Jet. The album features current single *Morning After Dark* (No.38 Dec. '09).

No.86 SPEAK LOVE – Hugh Sheridan. Making his way into the chart for the first time this week is *Packed To The Rafters* heartthrob Hugh Sheridan and his debut album, *Speak Love*. A man of many talents, Sheridan is a trained ballet dancer, studied dramatic art at NIDA and has also performed opera. Sheridan's debut single, *Just Can't Throw Us Away* (No.73 Sept. '09) isn't included on the album. Sheridan makes his TV return when *Packed To The Rafters* returns in the new year.

No.95 BLACKROC – Blackroc. In one of the more interesting releases of the year, two-piece blues-rock band The Black Keys have joined forces with a collection of hip hop artists to produce this album under the moniker BlackRoc. Featuring on the album are rappers Jim Jones, Mos Def, Ludacris, RZA, Raekwon, Q-Tip and Pharoahe Monch, as well as unreleased vocals by now-deceased rapper Ol' Dirty Bastard. The last Black Keys' album, *Attack And Release*, made it to No.12 upon release in April of last year.

#1 Single this week
