LIST OF TABLES AND FIGURES

Introduction

Figure 1.1	1996-2000 Annual Medical Labour Force Survey time frame	2
Table 1.1	Work status of working renewal cohort and other respondents, NSW, 2000.....	3
Table 1.2	Trends in sample size, response rate, participation rate and workforce size 1990 to 2000.....	3
Figure 1.2	Estimated size and growth rate of the NSW medical practitioner workforce, 1990 to 2000	4
Table 1.3	Survey respondents not currently working in medicine, type of work sought by sex, 2000	5
Table 1.4	Average intended years remaining in the workforce, medical practitioners working in NSW, 2000	5

Medical Practitioners

Table 3.1	Age and sex distribution of medical practitioners working in NSW, 2000.....	13
Figure 3.1	Age and sex distribution of medical practitioners working in NSW, 2000.....	13
Table 3.2	Medical Practitioners of Aboriginal or Torres Strait Islander origin working in NSW, 2000	13
Table 3.3	Age and sex distribution, number of medical practitioners working in NSW, 1990 to 2000.....	14
Table 3.4	Percentage distribution of age and sex of medical practitioners working in NSW, 1990 to 2000	15
Table 3.5	Estimated number of locations for medical practitioners working in NSW, by sex, 2000	16
Table 3.6	Employment setting of main job by sex, medical practitioners working in NSW, 2000	16
Table 3.7	Employment sector of main job, medical practitioners working in NSW, 1990 to 2000.....	17
Figure 3.2	Employment setting of main job by sex, medical practitioners working in NSW, 2000	17
Table 3.8	Employment setting of second job, medical practitioners working in NSW, 2000.....	18
Table 3.9	Employment setting of third job, medical practitioners working in NSW, 2000	18
Table 3.10	Main geographical location by sex, medical practitioners working in NSW, 2000	19
Figure 3.3	Estimated number of medical practitioners working in NSW (main job only) per 100,000 of the resident population, 2000	19
Table 3.11	Second geographical location by sex, medical practitioners working in NSW, 2000.....	20
Table 3.12	Third geographical location by sex, medical practitioners working in NSW, 2000.....	20
Table 3.13	Geographical location of main job, medical practitioners working in NSW, 1990 to 2000	21
Table 3.14	Geographical location of main job by location of second job, medical practitioners working in NSW, 2000	22
Table 3.15	Geographical location of main job by location of residence, medical practitioners working in NSW, 2000	23
Table 3.16	Average hours per week as a clinician by sex, medical practitioners working in NSW, 2000	24
Table 3.17	Average hours per week as an administrator by sex, medical practitioners working in NSW, 2000	24
Table 3.18	Average hours per week as a teacher/educator by sex, medical practitioners working in NSW, 2000... ..	24
Table 3.19	Average hours per week as a researcher by sex, medical practitioners working in NSW, 2000.....	25
Table 3.20	Average hours per week as a public health physician by sex, medical practitioners working in NSW, 2000	25
Table 3.21	Average hours per week as an occupational health physician by sex, medical practitioners working in NSW, 2000.....	25
Table 3.22	Average hours per week in other activities by sex, medical practitioners working in NSW, 2000	26
Table 3.23	Hours per week usually worked in all medical jobs, medical practitioners working in NSW, 2000	26
Table 3.24	Total hours per week usually worked in all medical jobs, medical practitioners working in NSW, 2000.....	27
Figure 3.4	Distribution of total hours worked per week by sex, medical practitioners working in NSW, 2000	27

Table 3.25	Weeks worked in the last year in scheduled patient sessions, medical practitioners working in NSW, 2000.....	27
Table 3.26	Field of work of main job, medical practitioners working in NSW, 1990 to 2000	28
Table 3.27	Type of medical work undertaken by medical practitioners working in NSW, by sex, 2000	29
Table 3.28	Type of medical work undertaken by medical practitioners working in NSW, by sex, 1990 to 2000	29
Table 3.29	Medical practitioners working in NSW and also registered in other states in Australia, by sex, 2000 ...	30
Table 3.30	Year of first registration for medical practitioners working in NSW, 2000	30
Table 3.31	Resident status of medical practitioners working in NSW, 2000	30

Primary Care Practitioners

Table 4.1	Age and Sex distribution of primary care practitioners working in NSW, 2000.....	31
Figure 4.1	Age and sex distribution of primary care practitioners working in NSW, 2000	31
Table 4.2	Age and sex of primary care practitioners working in NSW, 1990 to 2000.....	32
Table 4.3	Percentage distribution of age and sex of primary care practitioners working in NSW, 1990 to 2000...	33
Table 4.4	Estimated number of locations for primary care practitioners working in NSW, by sex, 2000	34
Table 4.5	Main geographical location, by sex, primary care practitioners working in NSW, 2000.....	34
Table 4.6	Second geographical location by sex, primary care practitioners working in NSW, 2000	35
Table 4.7	Third geographical location by sex, primary care practitioners working in NSW, 2000	35
Table 4.8	Geographical location of main job, primary care practitioners working in NSW, 1990 to 2000	36
Table 4.9	Location of main job by location of residence, primary care practitioners working in NSW, 2000	37
Table 4.10	Hours worked per week usually worked in all medical jobs, primary care practitioners working in NSW, 2000	38
Figure 4.2	Distribution of total hours worked per week by sex, primary care practitioners working in NSW, 2000	39
Table 4.11	Employment setting of main job by sex, primary care practitioners working in NSW, 2000.....	39
Table 4.12	Area of practice by sex, primary care practitioners working in NSW, 2000.....	39
Table 4.13	Qualifications by sex, primary care practitioners working in NSW, 2000.....	40
Table 4.14	Primary care practitioners working as a locum or through a deputising service by sex, 2000	40
Table 4.15	Number of primary care practitioners working at a main practice location, 2000	40

Specialists and Consultants

Table 5.1	Age and Sex distribution of specialists working in NSW, 2000	41
Figure 5.1	Age and sex distribution of specialists working in NSW, 2000	41
Table 5.2	Age and sex of specialists working in NSW, 1990 to 2000	42
Table 5.3	Percentage distribution of age and sex of specialists working in NSW, 1990 to 2000	43
Table 5.4	Estimated number of locations by sex, specialists working in NSW, 2000	44
Table 5.5	Main geographical location by sex, specialists working in NSW, 2000	44
Table 5.6	Second geographical location by sex, specialists working in NSW, 2000	45
Table 5.7	Third geographical location by sex, specialists working in NSW, 2000.....	45
Table 5.8	Geographical location of main job, specialists working in NSW, 1990 to 2000.....	46
Table 5.9	Geographical location of main job by location of residence, specialists working in NSW, 2000.....	47
Table 5.10	Hours per week usually worked in all medical jobs, specialists working in NSW, 2000.....	48
Figure 5.2	Paid hours worked per week in normal patient care in main job by sex, specialists working in NSW, 2000.....	49
Table 5.11	Employment setting of main job by sex, specialists working in NSW, 2000.....	49
Table 5.12	Number of specialists qualified to practice, by specialisation and sex, , 2000.....	50
Table 5.13	Main area of specialty practice by sex, specialists working in NSW, 2000	51
Table 5.14	Total areas of speciality practice by sex, specialists working in NSW, 2000	52
Table 5.15	Main area of specialty practice, specialists working in NSW, 1990 to 2000	53
Table 5.16	Percentage distribution, main area of practice, specialists working in NSW 1990 to 2000	54

Specialists in Training

Table 6.1	Age and Sex distribution of specialists in training working in NSW, 2000.....	55
Figure 6.1	Age and sex distribution of specialists in training working in NSW, 2000	55
Table 6.2	Age and sex of specialists in training working in NSW, 1990 to 2000.....	56
Table 6.3	Percentage distribution of age and sex of specialists in training working in NSW, 1990 to 2000.....	57
Table 6.4	Estimated number of employment positions by sex, of specialists in training working in NSW, 2000..	58
Table 6.5	Geographical location of main job by sex, specialists in training working in NSW, 2000	58
Table 6.6	Geographical location of second job by sex, specialists in training working in NSW, 2000.....	59
Table 6.7	Geographical location of third job by sex, specialists in training working in NSW, 2000	59
Table 6.8	Geographical location of main job by sex, specialists in training working in NSW, 1990 to 2000	60
Table 6.9	Geographical location of main job by location of residence, of specialists in training working in NSW, 2000	61
Table 6.10	Hours per week, usually worked in all medical jobs, specialists in training working in NSW, 2000.....	62
Figure 6.2	Paid hours worked per week in normal patient care in main job by sex, specialists in training working in NSW, 2000.....	63
Table 6.11	Employment setting of main job by sex, specialists in training working in NSW, 2000	63
Table 6.12	Specialist areas by sex, specialists in training workforce in NSW, 2000.....	64

Non-Specialist Hospital Salaried Medical Practitioners

Table 7.1	Age and Sex distribution of non-specialist hospital salaried medical practitioners working in NSW, 2000	65
Figure 7.1	Age and sex distribution of non-specialist hospital salaried medical practitioners working in NSW, 2000	65
Table 7.2	Age and sex of non-specialist hospital salaried medical practitioners working in NSW, 1990 to 2000 ..	66
Table 7.3	Percentage distribution of age and sex of non-specialist hospital salaried medical practitioners working in NSW, 1990 to 2000.....	67
Table 7.4	Estimated number of employment positions by sex, non-specialist hospital salaried medical practitioners working in NSW, 2000.....	68
Table 7.5	Main geographical location by sex, non-specialist hospital salaried medical practitioners working in NSW, 2000.....	68
Table 7.6	Geographical location of second job by sex, non-specialist hospital salaried medical practitioners working in NSW, 2000	69
Table 7.7	Geographical location of third job by sex, non-specialist hospital salaried medical practitioners working in NSW, 2000.....	69
Table 7.8	Geographical location of main job by sex, non-specialist hospital salaried medical practitioners working in NSW, 1990 to 2000	70
Table 7.9	Location of main job by location of residence, non-specialist hospital salaried medical practitioners working in NSW, 2000	71
Table 7.10	Hours per week usually worked in all medical jobs, non-specialist hospital salaried medical practitioners working in NSW, 2000	72
